

Under special circumstances, students may also take courses at accredited colleges or universities for high school credit. Students must obtain administrator and/or counselor approval prior to registering for college courses. For a college course to be used in lieu of a high school core class, it must be equivalent to the OPHS curriculum and address the essential standards of the high school course. An official college transcript, showing the completed coursework, must be provided to the OPHS registrar for the college course to apply to the OPHS transcript. Students may not apply more than one college course per semester, or a total of 10 credits for the school year, towards the OPHS graduation

requirement total. College courses will not receive extra grade points when placed on the high school transcript. (See your counselor for further information.)

For properly articulated courses college-to-high school credit will be granted as follows:

A 5-semester unit college course will be granted 10 high school credits

A 3 or 4-semester unit college course will be granted 5 high school credits

A 1.5 or 2-semester unit college course will be granted 2.5 high school credits

For college courses, less than 1.5 units a combination of lesser credits may be used to accrue 1.5 credits

Options that can be considered for remedial/credit recovery and/or first time credit - with prior written Counselor or Administrator approval:

Students who have not completed the recommended subject or credit requirements by the end of the school year before seeking enrollment or transfer to OPHS may remediate credit or subject deficiencies during the summer prior to the start of the school year. However, students seeking enrollment at OPHS for the fall semester must meet the same remediation standards as current Oak Park High School students.

The Student must see his/her Counselor for approval prior to starting the course(s) with the Request to Enroll in a a It is the responsibility of the student/parent to research the different options to determine the best choice for the individual student. The program must be approved by WASC (Western Association of Schools and Colleges), for OPHS to put the credits on your transcript.

Examples of programs that students may enroll in - with prior written Counselor or Administrator approval:

- Oak Park Education Foundation Summer School program: <http://www.oakparkeducationfoundation.org/summer-school/>
- Career Education Center: <https://www.vcoe.org/Career-Education-Center/Course-Catalog>
- Conejo Schools 'Get Ahead' Program: <http://www.conejoschools.org/events/get-ahead-program>
- Ventura County Community College (Moorpark, Ventura, Oxnard): <http://www.vcccd.edu/students>
- LA Pierce College: <http://www.piercecollege.edu/>
- Fusion Academy: <http://www.fusionacademy.com/fusion-campus-location/warner-center/welcome/>
- Futures Academy: <https://www.futures.edu/campus/westlake-village>
- Royal High School: <http://simivalleyssummerschools.weebly.com/>
- Vista Real Charter School: <http://vrchs.org/>
- Opportunities for Learning: <https://emsofl.com/>

Online remedial/credit recovery programs that students may enroll in - with prior written Counselor or Administrator approval:

For the purposes of remediation/credit recovery only, students may take courses through an accredited online program. The online school's courses must have also been approved by the University of California. You can view the list of UC approved providers at the following link on the UC

website: <https://hs-articulation.ucop.edu/agcourselist#/list/search/institution> Students must obtain prior written approval from an OPHS Administrator or Counselor prior to registering for any remedial online courses.

Examples would be:

- Apex Learning Virtual School: <https://www.apexlearningvs.com/>
- BYU Online (Teacher-Led courses with UC approval only): <http://is.byu.edu/site/index.cfm>
- Laurel Springs: <http://laurelsprings.com/>
- LanguageBird, LLC: <https://www.languagebird.com/>
- National University Virtual High School: <http://www.nuvhs.org/>
- Method Schools: <http://www.methodschoools.org/>
