Notice of assumed risk associated with all SWATourneys events

Players, coaches, parents, fans, event staff, and umpires assume all risk while entering facilities used by SWATourneys. This includes but is not limited to thrown and batted balls entering spectator areas and parking lots, swung or thrown bats, wet bathroom floors, bleachers, stairways, and hazards caused by other fans and vendors attending events.

SWATourneys is not responsible for damage to vehicles, personal injury, theft of personal property, and any other assumed risk of using public parking. Enter parks at your own risk.

SWATourneys encourages good sportsmanship on and off the field. It should be the primary responsibility of everyone to be positive role models while teaching children the great game of baseball. Young players are impressionable, watching every move and listening to every word spoken by coaches, officials, & parents. Please remember to be a positive participant at SWATourneys events.

To all players, coaches, parents, and fans THANK YOU for playing with SWATourneys!!!

Official Rules

The official rules of SWATourneys are the same as the National Federation of State High School Association except where modified in this handbook. The National Federation State High School Baseball rules can be found at www.nfhs.org.

Coach's responsibilities before and during the tournament

- All players must be added to the online roster with first and last names and DOB, and parent/guardian must complete the verification link before **the tournament starts**.
- SWATourneys must be added as additional insured to team insurance policies and uploaded to the portal **before the tournament starts**.
- Coaches must check in with the Tournament Director upon arrival at the event if payment of tournament entry fees will be made at the field. All fees must be paid before each team's first game. No exceptions.
- Coaches must ensure that their team is present and ready to play 30 minutes prior to their scheduled game time.
- Coaches must have a copy of each player's birth certificate on hand during events.
- After each game, it is the team's responsibility to clean their respective dugout.
- **Coaches must verify the score and sign the lineup card. This will be the FINAL score entered online. Scores will not be changed after the game card is signed.**
- No gum, seeds, or tobacco products are allowed on the fields.
 - Teams found with gum, seeds, or tobacco on fields are subject to a \$100 fine.

- a. Each manager (or team administrator) must create an account at SWATourneys.com. Click the account icon in the upper right corner and follow the prompts. Once an account is created, teams can begin registering for tournaments.
 - i. This is similar to the way other organizations "sanction" teams. We just don't charge a fee for that. Register your team, enroll in tournaments, submit rosters & insurance online, and let's play ball.
- b. All teams are required to provide proof of insurance to be eligible to play in any SWATourneys event. If you need to purchase insurance, you may do so by clicking [here](#).
 - i. The following MUST be on the policy: SWATourneys, 3108 Dillon Industrial Drive, Clemmons, NC 27012

- i. Teams who drop after the schedule has been posted are subject to a \$100 fine.
- ii. If a team does not show for a tournament, SWATournaments will make every attempt to adjust the schedule to allow all present teams to play an equal number of pool play games. If no other opponents are available, the score will be recorded as a forfeit. Repeat no-shows will be banned from future tournaments.

If the team is roster batting or there are no available substitutes, the player will be recorded as an out each time their spot comes up to bat.

F. Player Requirements

- a. SWATourneys baseball season will run from August 1 – July 31st. The player's age on April 30th determines the player's eligible age division for the current season that includes April 30th. Players can play up an age division but never play down.

 - ii. If it is found that the device is being used by players other than the catcher, the device will be banned for the remainder of that tournament and the manager/head coach will be ejected for that game only.

I. Game Rules

- a. Home/Visitor team: Pool Play is determined by a coin toss; Bracket play will always have the higher seed as the home team, including championship games.
- b. Batting
 - i. Teams can bat a lineup with any number of players, with EH's (Extra Hitters) and/or substitutes (min. 9) Or they may roster-bat all present uniformed players as EH. Example: A team could choose to bat 11 players and have 2 subs. The two additional players in the batting lineup will be considered as EH's and the other two outside the lineup will be substitutes.
 - ii. EH is considered a starting defensive position.
 - iii. If the coach chooses to roster-bat he must bat all legal players at the game.
 - iv. If a team chooses to roster-bat, then all players other than the 9 defensive position players are extra hitters and can move freely in defensive positions.
- c. For teams that are not roster batting, the starting players can be withdrawn for a sub and re-enter once, provided that they re-enter in their original position in the batting lineup. Once a pitcher is removed from the pitching position, he or she cannot return to the pitching position during a game but can re-enter to any other position.
- d. Teams can play an official game with an 8-player lineup. If a team plays with an 8-player lineup, an out is declared for the ninth position in the batting lineup at each turn at-bat.
- e. Teams must have a minimum of 8 players to start a game. Any number less than 8 and the game is declared a forfeited game and is not rescheduled. Only the tournament or site directors can declare a game a forfeit.
- f. If a team has a ninth player arrive after the game has started, the player is announced to both the plate umpire and the opposing team and is placed in the ninth spot in the batting order. The game resumes as if he or she was there at the start of the game.
- g. If a team drops below 9 eligible players for any reason, an out is recorded for the existing player's position in the line-up. The exiting player will not be eligible to return to the game once the penalty out is recorded.
- h. If roster batting, player(s) arriving after the game has started are added to the bottom of the batting lineup. If the batting lineup consists of subs, players arriving after the game has started are added to the lineup as legal substitutes. All players who arrive late are to be used as substitutes and must be listed on the line-up card BEFORE the game begins. If a player arriving late is not listed on the card as a substitute, the player arriving late is ineligible for that game. If a player is present at the start of the game and is simply left off the lineup card as a substitute, it is up to the Tournament Director or SWAT staff to determine if that player should be eligible or not. The decision regarding this matter is final and cannot be protested.
- i. A player who enters the game as a substitute, and is removed from the game, is

no longer an eligible player. However, this player may be used only as a courtesy runner for the pitcher or catcher of record, at any time.

- j. The designated hitter rules below apply to divisions 15U and older. There is no designated hitter in ages 14U and below.
- k. A hitter can be designated (not mandatory) for any one starting player and all subsequent substitutes for that player.
- l. A starting defensive player cannot be listed as the designated hitter in the starting lineup.
- m. Failure to declare a designated hitter before the game precludes the use of the designated hitter during the game. The role of the designated hitter is terminated for the remainder of the game when either of the following occurs:
 - i. The defensive player or any previous defensive player for whom the designated hitter subsequently bats, pinch-hits, or pinch-runs for the designated hitter.
 - ii. The designated hitter or any previous designated hitter assumes a defensive position.
- n. Batters are not allowed to fake bunt and swing (slashing) and will be called out. No exceptions and no warnings will be issued.
- o. **Injury and Illness:** Once a player has left the game due to illness or injury, he or she may not return.
 - i. **Line-Up with Substitutes:** If a player has to leave the lineup during the game due to illness or injury, then an out will be recorded for the injured/ill player's place in the lineup unless there is an eligible substitute/player available.
 - ii. **Roster Batting with more than 9 players:** If a player has to leave the lineup during the game due to illness or injury, then an out will be recorded for the injured/ill player's place in the lineup at the next plate appearance. Once this penalty out is recorded, this position in the order will be skipped with no penalty for the remainder of the game.
 - iii. **Roster Batting & dropping below 9 players:** If a team drops below 9 eligible players, an out is recorded for the player's position in the line-up. The player will not be eligible to return to the game once the penalty out is recorded.
- p. **Courtesy Runner:** If eligible, a courtesy runner can be used at any time for the pitcher or catcher of record. A courtesy runner is defined as a player not currently active in the lineup. An ineligible sub may still act as a courtesy runner. If roster batting, the courtesy runner is the player with the last recorded out. No skipping outs for courtesy runners will be allowed..
- q. **Base Running**
 - i. A legal slide can be either feet first or head first.
 - ii. Runners are not required to slide, but they must attempt to avoid contact

when a tag play is imminent.

- iii. No player can initiate malicious contact. It is the umpire's judgment call that determines whether the contact is malicious.
 - 1. Penalty: Any player initiating malicious contact is called out and immediately removed from the game.

Time Limit and Official Games:

- iv. A regulation game consists of 6 innings for age divisions 12 and below and 7 innings for age division 13U and above, unless the game is shortened due to time limit, mercy rule, weather or extended by extra innings due to a tie.
- v. We strive to not cancel games due to weather. However, if a game is called due to weather or other hazardous conditions, the official score will be recorded as the last completed full-inning score. (Ex. The game is called due to weather while the game is in the top/middle/bottom of the 2nd inning. The score will revert to what the score was after the 1st inning was completed and this score will be considered final.)
- vi. **Time limits for Weekend Pool Play & Bracket games** (excluding Championship) are outlined in the table below.

INNINGS	TIME LIMIT	AGE DIVISION
6	1 HR 15 MINS	7U – 8U
6	1 HR 45 MINS	9U – 12U
7	1 HR 45 MINS	13U –18U

- vii. Time limits for Friday Night and Saturday Night Lights 7U-8U games are 1 hour.
 - Time limits for Friday Night and Saturday Night Lights 7U-8U Championship games are 1 hour and 15 minutes
 - Time Limits for Friday Night and Saturday Night Lights for 9U-12U are 1 hour and 30 minutes.
 - Time Limits for Friday Night and Saturday Night Lights 9U-12U Championship games are 1 hour and 30 minutes.
- viii. Time limits for Weekend Championship games are:
 - 7U-8U Gold Bracket: 75 minutes
 - 7U-8U (all others): 75 minutes
 - 9U-15U Gold Bracket: 120 minutes
 - 9U-15U (all others): 105 minutes

- ix. Tie Games: If pool play games continue to be tied beyond regulation time or regulation innings, the game will end in a tie and the results will be used for seeding purposes.
- x. All bracket play games, including Championship, that continue to be tied beyond regulation time or regulation innings will continue with California Tie-Breaker Rules.

1. California Tie Breaker Rules:

- a. Each team shall begin their offensive half of the inning with the last 3 batters of the previous inning on base and 1 out. The last at-bat of the previous inning is placed on 1st base, second-to-last on 2nd, third-to-last on 3rd.
- b. This rule shall be used from this point forward until a winning team can be declared.
- c. Teams may use an eligible courtesy runner when the game is being contested under tiebreaker rules.

r. Mercy Rules:

- i. Mercy rules for 7U and 8U Division games include
 - 1. 20 runs after 3 innings or 2 ½ innings if the home team is ahead.
 - 2. 15 runs after 4 innings or 3 ½ innings if the home team is ahead.
 - 3. 8 runs after 5 innings or 4 ½ innings if the home team is ahead.
- ii. Mercy rules for all other age groups 9u+ include:
 - 1. 20 runs after 2 innings or 1 ½ innings if the home team is ahead.
 - 2. 15 runs after 3 innings or 2 ½ innings if the home team is ahead.
 - 3. 8 runs after 4 innings or 3 ½ innings if the home team is ahead.

s. Pitching Rules and Limitations

- i. **1 pitch = 1 inning** - The pitch must be thrown to a legal batter. Warm-up pitches do not count as an official pitch.
- ii. **Any player who pitches more than 3 innings on Saturday may NOT pitch on Sunday.**

DIVISION	MAX INNINGS (1 DAY)	WEEKEND MAX INNINGS (3 DAYS)
8U Kid Pitch	6	6
9U – 12U	6	8
13U – 18U	7	9

- iii. The above table describes the maximum pitching limitations for any one player on a single day or weekend. SWATourneys highly encourages coaches to monitor the number of pitches thrown per pitcher to reduce the

- potential for pitcher fatigue and injury.
- iv. Maximum innings in any 1 day: This is the maximum number of innings a player can legally pitch in one (1) day. Example: In the 9U – 12U age divisions, a player may legally pitch a maximum of six (6) innings in one (1) day. In the 13U – 15U age divisions, a player may legally pitch a maximum of seven (7) innings in one (1) day.
 - v. Maximum innings in 3 days: This is the maximum number of innings a player can legally pitch in three (3) consecutive days. Example: In the 9U– 12U age divisions, a player may legally pitch a maximum of eight (8) innings in three (3) consecutive days. In the 13U – 18U age divisions, a player may legally pitch a maximum of nine (9) innings in three (3) consecutive days.
 - vi. Once a pitcher is removed from the pitching position, they cannot return to the pitching position during that game but can re-enter at any other defensive position.
 - vii. When a pitcher takes their position at the beginning of each inning or when they relieve another pitcher, they are permitted warm-up pitches, not to exceed eight (8) preparatory pitches to the catcher or coach.
 - viii. A second visit to the same pitcher in the same inning causes the pitcher’s automatic removal from the mound (not the game).
 - ix. Pitching limitations stop for the day when play has stopped and the park is closed for the night.
 - x. All pitching totals will be counted even when a game is not official or when the final score reverts to the previous inning.
 - xi. For purposes of pitching limitations rules, a pitcher violates the rule if they record any inning above the legal pitching limits according to these rules.
 - 1. **Penalty: A protest must be filed after the pitcher in violation records an inning count beyond the legal limit AND while the pitcher in violation is in the game AND in the pitching position.** Violation of the pitching limitation shall result in the pitcher being removed from the pitcher position, and the Head Coach being ejected from the remainder of the tournament. All protests for an illegal pitcher that are made after the violating pitcher has been removed from the game, or after the game has been concluded, are null and void.
 - xii. Each team’s manager must protest pitching violations by stopping the game and requesting the tournament director or site director.
- t. Balks
- i. In age divisions 10U – 18U, balks shall be strictly enforced without warning.
 - ii. In age division 9U
 - iii. A pitcher, while in contact with the pitching rubber, is permitted to fake a throw to third base and then turn and throw or fake to first base as part of the same continuous motion. This move shall be considered a legal play and will not be ruled a balk.

- iv. SWATournaments uses NFHS rules for balks. A balk is an immediate dead ball once called no matter if the pitch is thrown or the outcome of said pitch.

u. Seeding Rules

- i. The following rules determine how teams are seeded for bracket play:
 - 1. Win-Loss Record
 - 2. Head to Head (2 teams only)
 - 3. Fewest Runs Allowed
 - 4. Highest Run Differential (Total runs scored minus Total runs allowed)
 - 5. Highest Total Runs Scored
 - 6. Coin Flip by Tournament Staff
- ii. When three or more teams are tied in pool play, head-to-head is thrown out and the next tie-breaker (fewest runs allowed) is used in determining all three places. If there is still a three-way tie, the next tie-breaker (highest run differential) is used to determine all three places, and so on. We never revert to previous tie-breakers when resolving a 3+ team tiebreaker.
- iii. Once a 3+ team tiebreaker is completed, all other seeds will be determined via regular seeding and tiebreakers if needed.

iv. Weather Policy Seeding

- 1. Any pool play games canceled due to weather, or any other reason, will report the score of the last completed inning as final. Teams will be seeded into brackets based on the following order of records and tie-breakers during canceled pool play games.
 - a. 2-0 Record - Least runs allowed, highest run differential, most runs scored, coin flip
 - b. 1-0 Record - Least runs allowed, highest run differential, most runs scored, coin flip
 - c. 0-0 Record – If multiple teams are 0-0 a coin flip will determine seeding order
 - d. 1-1 Record – Head-to-Head (2 teams only), Least runs allowed, highest run differential, most runs scored, coin flip
 - e. 0-1 Record - Least runs allowed, highest run differential, most runs scored, coin flip
 - f. 0-2 Record - Least runs allowed, highest run differential, most runs scored, coin flip.

v. 7U Coach Pitch Rules

- 1. There is a pitching plate or line 40 feet from the tip of home plate from which the coach must pitch.
- 2. There is a circle drawn with a 16' diameter with the pitching rubber or line in the middle. This is a safety area for the player in the pitching position. The defensive "pitcher", must have at least one foot within

the circle and must remain adjacent or behind the pitching rubber until the ball is hit.

3. If the defensive “pitcher” leaves the pitching circle or moves in front of the pitching rubber prior to the batter making contact, and the pitcher fields the ball, all base runners will be protected 1 base.
4. Teams can use either nine (9) or ten (10) defensive players. One (1) player must be a pitcher and one (1) player must be a catcher.
5. Teams must have a minimum of eight (8) players to start and finish a game but must take an out for the ninth player. With less than eight players, the game may be declared a forfeit by the tournament or site director.
6. All teams must roster-bat.
7. Because teams must roster-bat, there is free substitution on defense. The batting order must remain the same.
8. The batting order shall constitute all present players on the team roster at the beginning of the game. Late arrivals shall be inserted at the bottom of the batting order. All present players on the roster shall bat before returning to the top of the batting order.
9. Each batter is allowed six (6) pitches or three (3) strikes. If a batter hits a foul ball on the sixth (6th) pitch, he or she is allowed to continue batting until he or she either does not make contact with the ball or puts the ball in play.
10. **There are a maximum of seven (7) runs or three (3) outs per half-inning except in the sixth inning ONLY where both teams can score unlimited runs.**
11. A ball that strikes the adult coach pitch pitcher is dead and all runners return to their original base regardless if the coach pitcher attempts to move or not.
12. Umpires call time after every play and declare the ball dead. Time should be called as soon as all three of the following occur. Time does not have to be called by the defense for the purpose of this rule.
 - a. The lead runner stops attempting to advance.
