

Privacy Policy

Effective Date: July 4, 2026

Thank you for using **SUBWISE** -SUBSCRIPTION TRACKER. Your privacy is important to us. This Privacy Policy explains how the App collects, uses, and protects your information.

1. Information We Collect

The App is designed to work primarily offline and stores your data locally on your device.

The App may store the following information:

- Subscription details
- Free trial information
- Payment history
- Reminder settings
- Budget information
- Categories and notes
- App preferences
- Locally selected images or icons (if you choose to upload them)

2. SMS Access (Optional)

If you choose to enable SMS detection, the App may read subscription-related SMS messages solely to help identify recurring subscriptions.

- SMS processing occurs entirely on your device.
- SMS content is not uploaded to any server.
- SMS data is never sold or shared with third parties.
- You can disable SMS access at any time in your device settings.

3. Local Storage

All subscription information is stored locally on your device using Android's local database.

We do not automatically upload your personal information to any cloud service.

4. Backup and Export

The App allows you to export your data (such as CSV files or local backups).

These exported files are created only when you request them and remain under your control.

5. Notifications

The App uses local notifications to remind you about:

- Upcoming subscription renewals
- Payment due dates
- Free trial expiration
- Budget alerts

Notification data remains on your device.

6. Permissions

Depending on the features you use, the App may request permission to:

- Read SMS (optional, for subscription detection)
- Schedule exact alarms and notifications
- Access photos or storage to select custom subscription icons
- Receive device reboot events to restore reminders

Permissions are requested only when required for specific features.

7. Third-Party Services

The App does not require user accounts and does not intentionally share your personal information with third parties.

If future versions include optional third-party services (such as Google Drive backup or analytics), this Privacy Policy will be updated accordingly.

8. Data Security

We take reasonable measures to help protect your information.

Because your data is stored locally on your device, you are responsible for securing your device using passwords, PINs, or biometric authentication.

9. Children's Privacy

The App is not directed toward children under the age of 13.

We do not knowingly collect personal information from children.

10. Data Deletion

You can delete your data at any time by:

- Deleting individual subscriptions
- Using the "Reset App" feature (if available)
- Uninstalling the App

Uninstalling the App removes locally stored data unless you have created your own backups.

11. Changes to This Privacy Policy

We may update this Privacy Policy from time to time.

Any changes will be reflected by updating the Effective Date above.
