

Student Differentiated Education Plan (DEP) Request for Fond du Lac H.S.

Full Name:	Date of Birth:
Parent(s)/Guardian(s):	Graduation Year:
Parent/Guardian Phone:	Current Grade:
Primary Address:	Cumulative GPA:

Short-term goal: (Why you are requesting a differentiated education plan and **what exactly are you requesting**. Why is this a need vs. a want? What is the exact plan that you are proposing -courses, format you plan on using to take the courses, etc.? Be as detailed as possible!)

Curriculum plan: (Please indicate the courses you would like to take for each remaining semester at FHS by filling out the [4 year plan form](#) which you will turn in with this application.) PLEASE ATTACH A COPY OF YOUR TRANSCRIPT. (With Acceleration you will need approval from your current teacher in that content)

Why/How is this going to help you now and in your future?

Note: Feel free to attach additional sheets of paper to this form, if needed.

I understand and agree with the following information:

1. Grades will be the start of the student's college transcript, if taken at the collegiate level.
2. Grades will count toward official high school GPA, will be on the transcript and will count for credit.
3. The student and family will be responsible for any financial obligations if the approved course is not completed successfully within the time frame or is dropped past the deadline (if applicable).

Summary of Your Academic & Career Plan (ACP)

What is ACP?

Academic and Career Planning (ACP) is a collaboratively developed, student-driven process for planning for success in middle school, secondary school, and post-secondary academics and career development.

Your ACP is used to help guide decisions that are made regarding semester schedules, course selection, and resources that are offered to FHS students.

Please provide us insight into your Academic & Career Plan using the space below.

1. Long-term goal statement: What career and/or academic area are you currently most interested in pursuing after high school? How does this DEP relate to your future?

2. What do you find interesting about this career or academic area?

3. How have you explored this career or academic area? (Ideas for your career and academic exploration are: Talking with your school counselor and/or career specialist, meeting with a teacher who teaches courses related to your interest, researching the career on careercruising.com, onetonline.org, or wihealthcareers.org, meeting with a college admission counselor or recruiter, doing a job shadow, or talking with someone who is in the desired career/academic area of interest.)

4. How will your DEP help foster your academic and career goals?

5. According to your exploration efforts in question three, what type of education and training is recommended for your desired career or academic interest?

For questions, please contact Mrs. Michalkiewicz, Special Programs Coordinator, in Student Services.
