

1. This year's show involves ALL of ISB's Grade 5 students (142 cast members!).
2. The publicity, including posters, tickets, and the banner by the ISB fountain, are all student-designed!
3. Students contributed ideas for script, costume design, stage makeup, choreography, and instrumental music.
4. Most of the music you will hear is performed live by our Grade 5 students.
5. In conjunction with the performances, there will be a student art exhibition in the Chevron Theatre foyer, demonstrating a connection with the French post-impressionist painter, Henri Rousseau.
6. The students worked in art class to create pieces for "The Cat and The Rat" set.
7. We had an amazing team of 50 parent volunteers helping us every step of the way!
8. A group of students volunteered their after school time on Wednesdays to create and experiment with different theatre techniques.
9. Students studied traditional Caribbean dance, Calypso music, and adapted elements for the performance.
10. The show is a dramatization of the Caribbean Folk Tale "The Cat and The Rat".

### **The Cat and The Rat**

142 Grade 5 students will head to the stage to enact a dramatization of the Caribbean Folk Tale, "The Cat and The Rat!" This is not to be missed! Students have contributed to editing the script, choreography and sound as well as working on the costume design, stage make-up and set design!

BUT THAT'S not all - There will be live music, that has been produced by our Grade 5 students who have carefully studied traditional Caribbean dance and Calypso music for a fully authentic and original production. There will be an interactive student exhibition in the Chevron Theatre relating to the French post-impressionist painter Henri Rousseau.

Do not miss this phenomenal drama production, which will prove to be an audio visual sensation!
