

*Notes to teachers: Make a copy of this Google doc, and then edit as you need. The bits in yellow will need to be edited for your specific exam example.*

## Exam scavenger hunt

1. How many pages in the exam booklet?
2. What question has the highest mark allocation? What page is it on?
3. How many questions are there in the first 4 pages of the exam?
4. What is the combined mark allocation of the questions in **Section X**?
5. How many multiple choice questions in **Section X**?
6. How many short answer questions in **Section X**?
7. How much writing time do I have? What page do I find this info on?
8. What questions do you answer in the paper? What question do you answer in a separate booklet?
9. How many parts does **Question X** have?
10. **Question X** is on what page?

11. List all the questions that are OPTIONAL. What page are they on?

12. Tally the type and number of cognitive/directive verbs - which ones are most common? Least common? Which have the most mark allocation etc?
