

Jaime Vigil

My name is Jaime Vigil and would love to have your support to continue as the President of the Band Executive Board. I have been part of this sensational program dating back to 2014 and honestly, can't remember life before the Band Mom gig took over. These have been some of the best years with memories I will forever cherish, and I only hope to help create opportunities for every member and parent to share in the happiness that our program creates.

My youngest is now my 4th child in the band program – Catherine graduated 2018, Raechel graduated 2020, and Logan graduated 2021. They were all 4-year marching band/colorguard members and both girls were winterguard members as well. Brady is the youngest of my crew and is following in his brother's footsteps in the baritone section. He forged his own path as Drum Major last year and looks forward to his upcoming Senior year.

Years ago, when I had my own marching band experience in high school, we had an amazing staff and a group of band parents that helped make it an experience that one could never forget. I thought I had a full understanding of the time and effort each of them made back then but now being on the other side, I have even more adoration for them. I now know that they do so much more than I could have ever dreamed – because our parent volunteers are nothing short of AMAZING! My teenage self took mental notes of how the parent volunteers worked together, how they became a strong network for the staff and students, and most of all, the love, support and commitment they had to not only their own child but to all of us. Those parent volunteers helped me define the kind of parent I wanted to be one day. Their influence was immeasurable.

Over the years, I have volunteered in a number of ways.

- Band Booster President, 4 years (2019-2020, 2020-2021, 2024-2025, 2025-2026)

- Committee Chair for Team Hydrate (aka Water Mom) during the Marching Band season
- Chaperoned and helped support in a wide range of capacities for Concert Cand Clinics, MB Summer Camp, Winter Guard California Trip and MB California/Utah Trips
- Volunteered and assisted in multiple capacities for every Thunder in the Hills Invitational and our newest hosted show, Winter Guard Storm Center Invitational
- Assisted other volunteer areas when support was needed such as uniform help, concert uniform sewing alterations, pictures, unloading trucks, assistance with snacks, errands necessary for equipment or supplies for events, first aid assistance, ABODA regionals, assist with hotel research and reservations, etc.

In addition to all of my regular Mom and Band Mom duties, I work full time as an HRIS Administrator for Level 3 Audio Visual and part time as Design Support for KDD Designs (Interior Design). I am blessed to be able to work from home so have the flexibility to balance life, work, and band.

I accepted the nomination for President of the Band Executive Board so I can further assist our band Director, the Band Staff, the Executive Board, the Band Parents and most of all, the wonderful students in all of the band programs. I look forward to accepting the new challenges and working together to create the best possible experience for everyone in our extraordinary band program.

Thank you for your consideration to continue.

Go Thunder,

Jaime Vigil
