

**Lindsey**

Okay, but you tried. That's good, Jeremy.

(beat)

Jeremy, in the six months since you've started coming here can you recall ever getting an erection?

Jeremy

Yeah. Once. Actually, This morning.

Claudia perks up in her seat.

Claudia

How, when?

Jeremy

It's stupid.

**Lindsey**

No, nothing that works is stupid. What happened, Jeremy?

Jeremy

I called one of those hotlines.

Claudia laughs out loud. Immediately she composes herself.

**Lindsey**

What did you like about that experience, Jeremy?

Lindsey looks to Claudia.

**Lindsey**

Claudia, is that something you'd be willing to try with Jeremy?
