2026 HKFP CSA
Membership Agreement

- I commit to membership in the HKFP Community Supported Agriculture (CSA) for the 2026 season.
- I understand that I share in both the bounties and the risks (poor weather, crop failure, drought, etc.) of the farmer. My share may vary from week to week generally consisting of vegetables that are in season and there is no guarantee on the exact amount of contents of my share. In case of catastrophic realities, my full purchased share may not be fulfilled by the farmer.
- I commit to supporting the farm through timely payment (which is required at the start of the season).
- I understand that Metro Baptist Church (MBC) is solely providing a drop site for Nolasco Farm to deliver the produce when available, that Rauschenbusch Metro Ministries (RMM) is receiving payment from me solely for the purpose of transferring such payment to Nolasco Farm, and that none of HKFP, RMM and MBC are responsible in any way for any produce or products, whether delivered or not, or the condition or quality of any produce received, and that I waive any claim against any of them except for delivery of my payment to the farmer.
- I understand if I don't pick up (or designate someone to pick up) my share on the scheduled day and time my food will be donated to the RMM Food Pantry (or other local food pantry). No refunds will be issued.
- By participating in this CSA, I am bringing healthy, locally grown food to the neighborhood, supporting alternative agriculture, building community, and making the world a better place. Sign me up!
