

Welcome to Math with Mrs. Lundberg!

Math Textbook:

All 6th grade math classes will work from the same text book, CPM Math. The text book is available in class and online. Click on the link for the CPM online text book: [CPM Math](#)

Additional Resources for Math Help:

- Khan Academy. This is a free resource that has help on wide variety of topics. Click on this link: [Khan Academy](#)
- [CPM Homework Help](#)

Homework:

ALWAYS SHOW YOUR WORK DO YOUR HOMEWORK

You will have math homework every day. We will usually start homework in class. If students are focused, they may finish their homework in class. Homework is due the following day. *You must show me your work, not just the answers.* If you are struggling with homework, please let me know.

Tests & Quizzes:

Tests and quizzes will usually take place on Fridays. If you take a test or quiz and you do not like the grade that you received, you may do a test retake. You may earn up to half the points back for each problem that you missed. You must use the Test Retake Form and staple it to your original test. You have one full week to complete your test retake.

Week

Mon. 10/6	2.2.2 Worksheet #34-37
