(AFFILIATED TO ADI KAVI NANNAYA UNIVERSITY, RAJAMAHENDRAVARAM)

ACTIVITY REPORT

ACTIVITY NAME	Awareness on Environmental Protection
DATE	15-11-2025
TIME	3:50-5:30PM
PLACE	GDC Ramachandrapuram
CHIEF GUEST	<u>Dr.CH.Rama krishna</u>
ORGANISING DEPARTMENT	BOTANY
NO OF PARTICIPANTS	37
BRIEF REPORT OF THE ACT	<p>The Department of Botany, Government Degree College, Ramachandrapuram, organized an Awareness Program on Environmental Protection on the college campus to educate students about the importance of protecting the environment and promoting sustainable practices.</p> <p>The program aimed to create awareness among students about various environmental issues such as pollution, deforestation, climate change, and loss of biodiversity. Students actively participated in the program through presentations and discussions on the importance of protecting natural resources and maintaining ecological balance.</p> <p>During the program, students highlighted the need for reducing plastic usage, conserving water, protecting forests, and maintaining clean surroundings. They also discussed how individual and community efforts can play a vital role in environmental conservation.</p> <p>Dr. C.H. Ramakrishna, Principal, addressed the students and emphasized the importance of environmental protection for sustainable development and the well-being of future generations. Dr. P. Sara, Lecturer in Botany, explained the role of plants and biodiversity in maintaining ecological balance and encouraged students to adopt eco-friendly practices in their daily lives.</p> <p>The program also included poster presentations and an awareness campaign within the college campus, where students shared messages on environmental protection and the importance of conserving natural resources.</p>

The activity successfully encouraged students to understand their responsibility in protecting the environment and promoting sustainable living practices.
