Saving Files for Sub

1	Once logged in to your board, from the home screen, tap .
2	On the left panel choose “Google Drive-SMART”  This will access your Drive.
3	Move the file by tapping and holding its icon, then dragging it across the screen to “Public Files”. 
4	Sign Out of the board. Click back on the blue icon and go to the public folder . You can favorite any file by clicking on the star ☆ next to file name. This will save it to the favorites on the board while being logged out. When you click on the file you will be prompted with “Open With”. It is easiest for subs to open with “Whiteboard”
