

Student Permission Form

Dear Parent or Guardian,

We request permission for your child to participate in Granite School District's 2022-2023 Best Books Challenge reading incentive program. Designed to encourage reading and open up shared discussions and experiences about that reading, the program is extracurricular and optional. Students in grades 4-6 select books using prompts on a BINGO card. For each book they read and report, students receive a button to add to their lanyard. Additional prizes are available for students who read five books (BINGO), twelve-fifteen (3 BINGOs), or twenty-five titles (BLACKOUT). **We encourage you to visit the program website for more details, for a sample BINGO card, and a few book lists which reveal all of the options on the BINGO cards and give the students ideas about the type of books that may qualify:** www.bestbooks.granitemedia.org

If you have questions, please send an email to *<INSERT PERSON IN CHARGE AT SCHOOL LEVEL and email address>* or Marci Bishop, Granite School District's Elementary Library Supervisor (mbishop@graniteschools.org)..

Sincerely,

☐ I give permission for my child, _____ to participate in the Best Books reading incentive program and to read books from the list provided for their grade level.

☐ I do not give permission to participate in the Best Books reading incentive program.
