

Exchange with a colleague, a learning buddy or a Service Learning expert from the SEA-EU Society Hub:

What has been your experience with Service Learning in your own teaching?

What are your questions in regards to Service Learning in teacher education in higher education?

After reading the poster, what questions do you have in regards to implementing Service Learning (in teacher education) in your own teaching context?

Discuss your questions and possible answers with a partner OR contact us at Kiel University (Frauke Godat: fgodat@uv.uni-kiel.de) to connect with the project partners Marion Schlüter (Network for Service Learning in schools in Schleswig-Holstein: <https://lde-sh.de/kontakt/>) and Dr. Maïke Martensen to arrange a virtual exchange session (15-45min).

To summarize your thoughts and insights: What are your next steps in implementing Service Learning in your teaching?
