

TITLE: The balisong goat 🐐 . Brandend carl, said – "THIS IS BETTER THAN MACHINWISE"

–" MAN F*CK ANY BALISONG THAT IS MORE THAN \$200"

Brandend was surprised when he got that MASTERPIECE in his hands

(does that mean that the \$700 seruf is bad)

...spoil alert, no

BUT STILL F*CK IT

Because why would you do that for 700 dollars it is not worth it man comn

And {NAME} I know you

You have been here in my newsletter for a while and i understand you

And this is why I wont disappoint when it comes to knowing what you REALLY need

But lets not make thing complicated...why did Brandened (AKA, the balisong GOAT 🐐)

Said such a thing...

Well... well... well

(Shit not this one)

But seriously, why?

And how is this gonna benefit you (I will tell you in a min just stay with me)

The only case you might say such a thing is when you see something great for less right?

I mean it is common sense

And that is EXACTLY what happened

John found something (you have been looking for for YEARS)

Which made him say so

But what is it

“What is that thing that I have been looking for for years and will benefits me “

(You are probably saying this rn)

Well {name} tell me if you have ever wanted these things before or no?

- Something that is easy to use without any hurt or struggle to use unlike a live blad bali?
- Something that even after getting dropped from a two flower house (tested) still doesn't get play or tap
- Something that is not gofy g10 (all respect to g1o but comn man we are not kids)
- Something that easy to maintain specially for a beginner

And GUESS F*CKING WHAT...

For just 1/9 the price of a machine wise trainer

In this case it makes a lot of sense why Brandened would say that

So {name}

Are you ready for the moment of truth

The moment were you will unlock that tool that will beauty your flipping skills??

If so here is your bd gift
