THE Fastest way to cash in on your blog content...
Monetize Your Blog In Moments...
WP Plugin: Autopilot Blog Links + DFY Link Files..

Hi,

I've never seen a quicker way to monetize all the content on a blog...

you simply import your list of keywords and links and this plugin does the rest, all with cloaked links to protect your commissions...

and better yet, they're including a Done For You import file of top performing offers and links for you to use immediately!

It doesn't matter how big your site is, or how old the content is, this plugin will go through and create linked keywords to high paying affiliate offers to the lot!

Or you can pop in your own offers and links instead, you have total control.

You've got a blog, You've got content, now it's time for...
Your Blog + Content + This Plugin = Auto Commissions...
Get the heavy lifting done for you... [Auto Blog Commissions]

Hi,

So you've got a blog...

and you've got some posts and content on there...

but you're not making any commissions, profit or income yet!

You Know that you need to add some sort of monetization...

something that actually works...

and using high commission affiliate programs is the way to go

but now you're faced with a massive task:

You need to research a relevant offer for each page and post of content have

then you need to grab the affiliate link, find the post or page for it, and open it up to edit it

then you're going to have to go through all that content to add the affiliate links to the relevant keywords, finding them in the text, editing them and adding the new link...

and you need to do this several times for each post you have!

Let's say it takes just 5 minutes per post...

if you've got just a dozen posts on your blog that's an hours work!

If you've got hundreds then it's going to take so much time you've got to ask whether it's worth the effort, right..?

oh, and what happens when one of the offers you're promoting changes...

you've got to go back and find EVERY post & page you used that offer on and edit ALL those links! :-O

or...

just you can just let this amazingly simple WP Plugin do all the heavy lifting for you!

The bit your blog's been missing to get those commissions rolling in...
More links than you can shake a stick at!

Hi,

It doesn't matter how old your blog is, or how much content you have sitting around, this super simple & incredibly powerful WP plugin can start pulling in commissions for you today...

The next part is the guys behind this plugin have included a "Done For You" Links Library to get you up and running!

It's 3 Simple Steps To Commissions:

1. install the plugin
2. Import the Link Library
3. Let the plugin dynamically create your monetized keyword links in ALL your existing content...

I guess that's actually 2 steps to get it running... :-D

There's a lot more this plugin does, but it's the sheer speed of getting those monetized links across your whole blog that's simply stunning!
