### ***It is BuxMont Unitarian Universalist Fellowship's mission to:***

- Live, teach, and promote Unitarian Universalism and our liberal religious values.
- Respect and care for one another, supporting the spiritual growth of each individual and providing a safe, tolerant, and welcoming spiritual haven.
- Provide a religious education for children, youth, and adults that will enrich our lives and the spiritual life of the broader community.
- Match our actions to our values inside and outside our fellowship, becoming a fulcrum for environmental, spiritual, and social change in the community.

If you are interested in joining our congregation as a Member, find out more about that process on our website - [www.buxmontuu.org/about-buxmont/becoming-a-member/](http://www.buxmontuu.org/about-buxmont/becoming-a-member/)

---

Unitarian Universalist congregations affirm and promote seven Principles, which we hold as strong values and moral guides. We live out these Principles within a “living tradition” of wisdom and spirituality, drawn from sources as diverse as science, poetry, scripture, and personal experience. As Rev. Barbara Wells ten Hove explains, “The Principles are not dogma or doctrine, but rather a guide for those of us who choose to join and participate in Unitarian Universalist religious communities.”

- 1st Principle: The inherent worth and dignity of every person;
- 2nd Principle: Justice, equity and compassion in human relations;
- 3rd Principle: Acceptance of one another and encouragement to spiritual growth in our congregations;
- 4th Principle: A free and responsible search for truth and meaning;
- 5th Principle: The right of conscience and the use of the democratic process within our congregations and in society at large;
- 6th Principle: The goal of world community with peace, liberty, and justice for all;
- 7th Principle: Respect for the interdependent web of all existence of which we are a part.

The seven Principles and six Sources of the Unitarian Universalist Association grew out of the grassroots of our communities, were affirmed democratically, and are part of who we are.
