

If I were a shepherd

**I'd kneel before the
manger**

**Though lowly and a
stranger**

**My gift would be
my heart**

If I were a shepherd

**I'd find the babe
asleep there
And say a humble
prayer**

**If I were a
shepherd**

**If I were a
shepherd**

**If I were a wise
man**

I'd travel from a far

**I'd follow that great
star**

**Until I found the
child**

If I were a wise man

**I'd bring my finest
gift**

**My vow to follow
him**

**If I were a wise
man**

**If I were a wise
man**

If I were an angel

**Oh how I would
rejoice**

**I'd sing with my
best voice
All glory be to God**

If I were an angel

**I'd join the
heavenly chorus**

**Praise God, He sent
Christ for us**

**Hosanna to His
name!**

If I were an angel

I'm not a shepherd

I'm not a traveling wise man

**I'm not a singing
angel**

**I love Him just the
same**

I'm a disciple

I choose to love and serve Him

**To follow His
commandments**

**To take upon his
name**

**I'm a disciple
I'm a disciple**

I'm a disciple
