As we celebrate our school spirit and participate in gameday themes, we want to remind everyone of a few important expectations. Students may not bring props or wear face paint that covers their faces. For safety and security reasons, all students must remain easily identifiable. We encourage everyone to get creative, show their Raider pride, and have fun while following these expectations. Thank you for helping us keep Stevens High School safe and enjoyable for everyone. Nothing Greater Than a Raider!

To ensure we provide the highest level of teaching and learning, all student cell phones must be placed in the designated area in each classroom. If a student chooses not to place their phone in the designated area and is later observed with a cell phone during the school day, the student will be considered in violation of the cell phone policy. When students leave the classroom, their cell phones must remain in the designated area. Cell phones are also not permitted in the restrooms due to privacy and security concerns. Teachers, paraprofessionals, administrators, and security staff will consistently enforce this protocol. We appreciate your cooperation and commitment to following these expectations.

You are now invited to remove your hat and stand for the Pledge of Allegiance
