

Fursuit Prices

Commissions closed! Only taking a few at a time, inquire for more info!

(Prices range extremely due to fur color, design, type of fur, style, complexities, ect.. So the more complex and detailed your character is, the pricier it will be. Adding accessories ups the price as well. If you want an EXACT price, please send me a ref of your character, the kind of suit you want, and all the small details that are important to your character's design.)

(These are simply range averages, NOT the official total.)

Terms of service

I have the right to post work in progress pictures, final product pictures, unless you do not want the creation of the suit published. You must let me know if you would like to be tagged in such photos.

Max payment plans are up to one year. If the final payment is late, there will be a 5% late fee of the remainder of the payment each month it is late. If you cannot pay off the suit within 5 months of the due date, the suit will be canceled, and any work done will not be refunded, except the first downpayment.

If the suit is refunded, you will receive the amount in full, excluding the down payment.

All monetary transactions will be handled through PayPal, cashapp, or venmo.

(FeralTigerCreations@gmail.com)

If the suit is refunded, or not paid in full for 5 months after the due date, I can resell the suit or alter the design. I can deny any further alterations during creation if we did not agree on them before.

You will pay for shipping, and can request for faster shipping if desired, the extra must be paid by you. I won't be responsible for the suit if it is lost or stolen through the mail company. Once the suit has left for shipping, it is no longer under my responsibility.

I work off measurements and sizing according to US standard size charts. Any non fitting piece can be altered, but to the expense of the buyer.

(if fullsuit, PLEASE be able to send me a complete duct tape dummy.. If it is not make well enough, I will need another one sent in)

Everything shown on the reference picture, or what we discuss will be included (Ex: amount of spots stripes etc. Will be exact)

The suit will be in new condition upon arrival, but be aware everything is hand-made so minor seam failures may be possible or bits of hot glue seen. It is expected you know basic hand sewing skills if you are to own a fursuit, just wearing the suit over time causes seams to pop. The suit will come fully finished and lined.

If you have any questions, feel free to ask!
