

Welcome to the English Clinic signup page.

We are here to assist you in improving your English, whether it's written or spoken. If you would like to improve your writing, please have ready a document you are working on. It should be in Google Doc form and sent to the teacher via chat in Zoom. **Please note that we are not an editing service.**

To make an appointment, simply write your name and @jce.ac.il email under the appropriate slot. Be sure to make your appointment 24 hours in advance and confirm by email with the teacher. We will send you a Zoom link at the time of your appointment. You can make a maximum of two 30-minute appointments a day
