Military Ball

Military ball was a huge success! The event ran smoothly and everyone had a great time. Thank you to That Big Guy's BBQ for catering the food, it was delicious. Also, thank you to Susie Q's Bakes for making the cake, it looked exquisite! First, we did a receiving line and the Honor Guard team presented the colors for the national anthem and recognized the POW/MIA table. Then we ate food, and did a scavenger hunt, where table 6 won. A guest speaker was also invited and shared a heartfelt story. Many people were nominated for the grog bowl and we all shared a great laugh. Also our court was crowned!

Thanks to those who helped plan and set up this event. It was truly amazing and set high standards for next year!

Cadets of the Term

Our Cadets of the Term for the 3rd 9 weeks were
Miles Bryan, Aiyanna Houg and James Dailey! Congratulations and keep up the good work!

For pictures of current and past events go to the Facebook page or the official webpage for Harrison County Schools. Select the "Schools" dropdown at the top and then select "Harrison County High School". Once there select "Teacher Websites" from the quick links on the left hand side of the screen. We are located under AFJROTC.

Promotions

Term three promotions were rewarded to our cadets! Congratulations to everyone who was promoted!

HCMS Recruiting

A group of our cadets went to the middle school and taught 8th graders about our ROTC program. They got to learn about our teams, trips, and events that are held for us. There was also a contest to see which male could do the most pull-ups and which female could dead-arm-hang for the longest amount of time. The students had a great time with our cadets and we hope to have many incoming freshmen next year!

Egg Filling

For community service hours, our cadets have been filling Easter eggs during class. We filled a total of almost 10,000 eggs for the Veteran's park easter egg hunt!

APT Team

Our Awareness Presentation Team gave their final briefing of the year at Westside Elementary School. The team did briefings on the DARE Program topics and spoke of the effects that peer pressure can have on students. Everyone on the team did an outstanding job! Thank you for representing our program!

Raiders

Our raiders team went to Ohio and competed in a competition with 16 teams. They competed in a total of 6 physical events. Our team was 1st place overall out of 16 teams. They also placed in every category. Congratulations! The hard work pays off!

Congratulations to Cadets Toney, Dailey, and Munoz for receiving their raiders shirts! Also, a huge shoutout to Cadet Peyton Fryman for receiving his raider hoodie. You all have done a great job!

Color Guard

Our honor guard team presented the colors and also recognized the POW/MIA table at Military Ball. Cadet Peyton Fryman was an announcer and Cadet Shelby Fugate sang the national anthem. Sadly, there were no pictures of the POW/MIA presentation, as everyone was standing at attention. Thank you all for your professionalism and dedication!

Marksmanship

The Air Rifle Team had their end of the year banquet! Congratulations to the cadets and coaches on an outstanding year. Everyone has improved and done very well! Next year will be even better!
