# Repertoire Guide - TROMBONE Back to Music Subject Guide

This guide was created to aid you in finding information about, and music for, the trombone.

The call number ranges listed below may also contain scores for ensembles which may not include the trombone.

You can browse the shelves or search our catalogue using the bolded subject headings below:

- Trombone (SU Subject)
- AND PT music score
- (optional) AND Solo (OR duet, OR chamber, OR any term/combination appropriate for your needs)

### Please note that

- PT means Publication Type
- You may see a variety of Resource Types (e.g. music scores, ebooks, electronic resources or even audio!) but your search results will be scores nonetheless
