* Global Migration Group
The Global Migration Group (GMG) is an inter-agency group bringing together heads of agencies to promote the wider application of all relevant international and regional instruments and norms relating to migration, and to encourage the adoption of more coherent, comprehensive and better coordinated approaches to the issue of international migration. The GMG is particularly concerned with improving the overall effectiveness of its members and other stakeholders in capitalizing upon the opportunities and responding to the challenges presented by international migration. For more information please visit the group's website at http://www.globalmigrationgroup.org
