

GRADE 9-10 COURSE SELECTION

Time to choose your courses for next year!

You have **BRAINS** in your **HEAD**.
You have **FEET** in your **SHOES**.
You can **STEER** yourself any
DIRECTION you **CHOOSE**.
~ Dr. Seuss

IF IT IS
IMPORTANT
TO YOU, YOU
WILL FIND A
WAY. IF
NOT, YOU
WILL FIND
AN EXCUSE.

smart
is something you
become,
not something you
are.

Things to think about...

When moving from Gr9 to Gr10 consider the following...

- what electives you would like to take next year (art, construction tech, hospitality, communications tech, physed)
- Ensure that by the end of grade 10, you have an art, tech, and physed credit
- you will only be able to select 2 electives, but please select an alternative option as well
- what pathway you will continue in (academic, applied, or locally developed)
- applied classes can lead to college-level courses for grades 11 and 12 and academic courses lead to university-level courses in grades 11 and 12
- Hockey Canada Skills Academy Course Codes - PAL3OH and PAF3OH

How to choose your courses...

You will use [Xello](#) to choose your courses.

You can also make an appointment [here](#) with Ms. McCauley in Student Services if you have questions or concerns.

Choose your courses...

Log on to [Xello](#) and go to the course planner to choose your courses for next year.

Be sure you have chosen a full year of courses and you have the prerequisites (courses you need to take before taking the one you select) for each course. You can make an appointment with Ms. McCauley to help with course selection.
