SAFETY

This is an OPEN COURSE. Parts of the course are coned off but no road is completely closed. Emergency vehicles have the right of way. Stay within the coned areas and at all times run on the LEFT side of the road or shoulder. Marshals and flagmen are stationed along the course but all runners are responsible for their own safety. ALWAYS watch out for wayward traffic and OBEY THE COURSE MARSHALS at all times. To avoid obstructing faster runners DO NOT RUN MORE THAN TWO ABREAST

IMPORTANT: Friends / family wishing to follow their runner in their car must drive at an appropriate speed for the road, and should NOT STOP on the shoulder of the TCH, due to a risk of forcing runners out into the oncoming traffic.

HEADPHONES

For safety reasons **Wearing headphones is NOT permitted during this race.** You need to be able to hear course marshals, traffic, other runners, etc.

If you choose to wear headphones you may be disqualified from the race. A disqualified runner will have their results listed as DSQ.

AID STATIONS

Water / refreshment stations will be available throughout the course at:

Half Marathon: 4 km, 10 km, 12 km & 14 km (TURN AROUND HERE)

10km: 2.5 km & 5 km (TURN AROUND HERE)

5 km: 2.5 km (TURN AROUND HERE)

The turnaround point for all distances is their final aid station - see above :)

Vehicles with amber flashing lights will be patrolling the course, and FIRST AID personnel will be present.

FINISHING

Do not stop when you cross the finish line — move forward or to the side, out of the way of runners finishing behind you. Hand in your timing chip after your finish.

The course will be dismantled at 1:00 pm (earlier if all runners have finished). If you are still on the course after this time, complete your run on the shoulder or sidewalk.

This is a RUNNING event. For safety reasons, NO walkers, chariots, roller blades, dogs, etc. ONLY RUNNERS.
