13. **Enga Legna** Eгна Legна Besidet (Amharic translates to "us migrants for us migrants") is a Lebanon based women migrant domestic worker run humanitarian and advocacy organization. We have been providing humanitarian assistance for domestic workers in Lebanon since 2017, while speaking up about the dangers and discrimination they face. We have launched this fundraising initiative, because the disaster in Lebanon is beyond our capacity to handle. As of writing, Israel has killed over 2300 people and displaced over a million in Lebanon with its bombing campaign that remains ongoing. Migrant

domestic workers from African and Asian countries are among those being displaced from their homes, forgotten by their embassies and in some cases, denied entry at shelters that don't welcome migrants¹. Our team is currently working around the clock to deliver food, mattresses, sanitary pads and other basics to domestic workers across Lebanon. But the need is high, and we need your help
