

To Whom It May Concern,

I am writing this letter to highly recommend Jeremy Bennett for any educational leadership program opportunity that he may pursue. I have had the privilege of working closely with Jeremy for the past four years while he has worked at Fort Gay PK-8, and I have witnessed firsthand his exceptional leadership abilities and unwavering dedication to the field of education as his Director of Elementary Education.

Jeremy has consistently demonstrated exceptional leadership qualities in his daily job performance. His passion for teaching and commitment to his students are truly inspiring. He possesses effective communication skills, which enable him to effectively engage with students, parents, and colleagues. Jeremy is an exceptional team player and readily takes on additional responsibilities, often assuming the role of administrator during the absence of the school principal or assistant principal.

Beyond his daily responsibilities, Jeremy has actively contributed to professional development within our county. He has conducted countywide professional development sessions, sharing his expertise and innovative teaching methods with fellow educators. In 2022, he attended the SHAPE America National Convention, which further expanded his knowledge and exposed him to the latest advancements in physical education. His dedication to professional growth is evident through his recent receipt of the Impact Grant from SHAPE America, allowing his school to establish a fitness center at Fort Gay PK-8.

Jeremy's exceptional leadership abilities, coupled with his passion for education, make him an outstanding candidate for any educational leadership program. I have no doubt that he will excel in any endeavor he pursues, bringing his contagious enthusiasm and innovative approach to positively impact students, teachers, and the entire educational community.

I wholeheartedly recommend Jeremy Bennett without reservation. Please contact me if you need more information at jwaugama@k12.wv.us or 304-563-550.
