

I'll be good
a "Warrior Cats" Multi Animator Project

Rules:

- follow the rules
- make sure you'll do the part in 1920x1080 or other fullscreen resolution
- leave some seconds before and after the part, please uvu it helps with editing.
 - follow the designs linked below
 - the codeword is your favorite color uvu
- we'll be more picky with this one, but don't be afraid to ask!
 - collabs are okay as long you inform us about them
- this is pmv AND amv MAP which means you'll have to do both in one part! if you read this, ignore the first codeword and write the name of your fav warrior instead.
- deadline for the wip is one month after receiving the part. when you show us your wip, you have 3 months to finish it. otherwise we'll have to kick you from the MAP.
 - max. extension is one month
 - greenscreen isn't allowed
 - have fun!

Parts:

Intro -

Riverclan's territory. Shot at the night sky, and then smooth transition to the grass and all around. Show the title of the MAP.

Part 1 -

Show three silhouettes of Tigerstar, Darkstripe and Blackfoot with mock-looking faces. Then, show Stonefur, Featherpaw and Stormpaw with frightened faces.

Part 2 - wagtail-queen

Darkstripe jumps towards Stonefur to attack him, but he can't do anything, as Stonefur is better than him. Then Blackfoot joins the fight, the sky turns red as he attacks. Stonefur momentarily dies.

Part 3 - BusyStar

Blackfoot looks at the dead body of Stonefur. His ears go down, but then blurry silhouettes of cats appear behind him. He turns to them.

Part 4 - red_waffle storm

They start to laugh, Blackfoot does the same and walks away, leaving Stonefur and two sad apprentices behind.

Part 5 - Azure

Night, Blackfoot travels to the Mothermouth to get his nine lives. He sits near to the Moonstone, touching it with his nose. He closes his eyes.

Part 6 - Bipolar

Starclan cats appear. One of them is brighter. It's Stonefur. He comes closer to Blackfoot, touching him on his nose. Blackfoot gets his new name and a star appears on his forehead.

Part 7 -

Blackstar is surprised that the cat he had killed gave him one of his nine lives. He opens his eyes and wakes up. Show him in front of Moonstone, walking away from it.

Part 8 -

Dawn, Blackstar is walking with a patrol on Shadowclan's territory. While they are walking near to the lake, he sees Stonefur. He turns away and tells the patrol that they need to go. He wants to hide the fact that he saw Stonefur and doesn't want anyone else to see him.

Part 9 - RachelAlexanDraws

Noon, Blackstar looks at the apprentices' training session. It's raining gently, the leader of Shadowclan looks at the sky and sees Stonefur on it. He knows that Riverclan warrior wants to warn him about something, but he ignores him anyway and walks away to his den.

Part 10 -

Evening. Show the entrance of the camp, then four cats walking through it. Hollypaw, Lionpaw, Jaypaw and Sol. Stonefur appears behind Blackstar and screams, but he disappears quickly. Part 11 -

Starry night, Clans' gathering. Blackstar is talking with Sol. Then they look at the stone, Blackstar jumps on it. Everyone looks at him. The stars begin to shine more faintly, all of them faded, except for three, symbolizing three other leaders. The star on Blackstar's head is under those three stars.

Part 12 -

Blackstar announces that he and his clan won't appear on the next gatherings. The star on his head disappears. He jumps off the rock.

Part 13 -

Blackstar groups his clan, and they walk away, without looking behind.

Part 14 -

As Blackstar stops believing in Starclan, he stops seeing Stonefur. Show him in his den, looking at the clan cats from the entrance of the den.

Part 15 -

Show Jaypaw with two blurry cats behind.

Part 16 -

Runningnose and Raggedstar appear in front of Blackstar. Behind them, show very blurry Stonefur.

Part 17 -

Stonefur starts to be more visible as he walks to Blackstar. He touches his nose and the star on the leader's forehead reappears.

Part 18 - Larkwish

Show Sol disappearing and Stonefur becoming more and more visible, smiling at the leader.

Outro - Azure & wagtail-queen

Credits, in the background show the cats that were in the MAP - Blackstar and Stonefur in front of the forest and other places you choose - for example near the lake.
