.....  
.....  
b) Now, look at the lyrics (letra) of the song and **listen to** the song to **complete** the missing parts:

Oh, can you tell ....., can you tell ..... the way the story ends?  
A ..... in my heart, a ghost inside my chest.  
I'm broken down, the world around us surrounds my suffering  
You smile and laugh at me, but you don't see a .....  
Damaged and broken as I am, I'm trying not to breathe  
Unraveled, I'm not unraveled by the truth I finally see (Freeze)  
I'm breakable, unbreakable, I'm ....., unshakeable  
Unraveling since I found .....

And now I'm turning to dust in a world that's twisted  
Don't come searching when I go .....  
Close your ..... or just try to look away, don't want to hurt you  
We live in the world someone else imagined  
The ..... of what's left of me all but vanished  
Remember my heart, how bright I used to shine

Entangled in the loneliness  
The ..... of innocence  
It's stinging me, it's breaking me  
The pain is spreading endlessly  
I cannot move, I close my .....  
I try to breathe, I realize  
I'm paralyzed, I'm .....  
Unravel the world

I'm not what I was then, don't touch the infection  
Entwined we will both die so stay away, and stay alive  
I'm breakable, unbreakable, I'm shakeable, unshakeable  
Unraveling, I won't infect you

And now I'm turning to .....in a world that's twisted  
Don't come searching when I go missing  
Close your ..... or try to look away, don't want to hurt you  
We live in the world someone else imagined

The ghost of what left of me all but vanished  
Remember my heart, how bright I used to shine

Please, just don't forget me  
Just don't forget me  
Just don't forget me  
Just don't forget me  
Don't forget me
