

## CSUMB Department of Education and Leadership Statement of Concern and Action Plan

The Statement of Concern (SOC) is designed to clearly identify issues that may prevent a candidate from successfully completing a credential/graduate program. The SOC should include an Action Plan and timeline that provides guidelines for the candidate to address the identified issues. Students who do not indicate their acknowledgement of this plan through their signature or who fail to meet their goals may be subjected to Administrative Probation and/or program dismissal.

**Candidate:**

**Program:**

**Field Placement:**

**Date:**

Area of Concern	Action to be Taken/By Whom	Expected Outcome/Deadline	Met (date)	Not Met (date)

**Consequences of partially or fully unmet Areas of Concern:**
