THE TEACHER SPOTLIGHT IS
MR. GARRETT!

Introduction:

Mr. Garrett is a physical science and chemistry teacher. He teaches in Q200. He is known for his kind and understanding nature. Many people have said he is one of their favorite teachers. He wants to make sure every student succeeds in life, and gets their dream career.

His Favorite Class memory:

His favorite class memory was with his 5th hour physical science kids. He had taken them outside to conduct an experiment on velocity. The students had a race and ran to see their average speed. Mr. Garrett wanted to join in on the fun and he ran with the students. He says it was such a fun day and how he'd want to do it again!

Quotes from his students:

“He is a great teacher, he listens and helps me read the questions I'm struggling with”- Lilly O

“Mr. Garrett is such a funny and kind teacher. He always makes the best jokes and helps me whenever I need it” - Brandon H
