

Privacy Policy for Save the Baby 3D: Pranks Games

This Privacy Policy applies to the **Save the Baby 3D: Pranks Games**, developed by **Titanium Games** (hereby referred to as "Service Provider"), offered as a free service. This service is provided **"AS IS"**.

Information Collection and Use

The Application collects certain information to improve user experience and functionality. This includes:

- **Device Information:** Internet Protocol (IP) address, mobile operating system, and device identifiers (such as advertising IDs).
- **Usage Data:** The pages visited within the Application, time and date of access, time spent on the Application, and interaction data.

Personalized Advertising and Analytics:

- **AdMob** is used to serve ads in this Application, which may involve collecting and using **device identifiers** and data on how users interact with ads.
- **Google Analytics for Firebase** is used for app performance monitoring and analytics.

For **users in regions governed by GDPR or CCPA**, personalized advertising will be shown only with **explicit consent**, and users will have the option to disable personalized ads through the in-app settings.

Location Data: The Application does not collect or store precise location information about your device.

Data Collection for Children

Since this Application is **primarily directed at children** under 13, we are committed to complying with the **Children's Online Privacy Protection Act (COPPA)** and the **Google Play Families Policy**. We do not knowingly collect personally identifiable information (PII) from children under 13 without **verifiable parental consent**.

If a parent or guardian becomes aware that their child has provided personal information without consent, they should contact us at **titantium.games@gmail.com**, and we will take steps to remove that information from our servers.

Third-Party Access to Information

We only share aggregated, anonymized data with trusted third-party services to help us analyze and improve the Application's performance:

- **Google Play Services**
- **Google Analytics for Firebase**
- **AdMob** (for ads)

These services have their own privacy policies regarding how they handle data. Please refer to their privacy policies for more information:

- Google Play Services
- Google Analytics for Firebase
- AdMob

Data Sharing and Disclosure

We may disclose your information:

- **As required by law**, such as complying with a subpoena or similar legal process.
- **To protect our rights or the safety of others**, including investigating fraud or responding to government requests.
- **To trusted service providers** working on our behalf, under strict agreements that they will not use the information for any independent purposes.

User Consent and Opt-Out

You have the right to opt out of data collection by:

- Disabling personalized ads in the app's settings.
- Uninstalling the Application from your device.

For personalized ads, users in applicable regions can also **opt-out from AdMob** by adjusting device settings or selecting the option during app use.

Data Retention

The Service Provider will retain user-provided data for as long as you use the Application and for a reasonable time thereafter. If you request the deletion of user data, please contact us at **titantium.games@gmail.com**, and we will ensure data is deleted in a timely manner.

Children's Privacy and Parental Controls

This Application is designed to comply with **COPPA** and the **Google Play Families Policy**. We do not collect personal information from children under 13 without **parental consent**. The Application contains ads but will not display interest-based advertising to users identified as children under 13. Parents can contact us at any time to review or delete their child's information.

Security

We are committed to safeguarding your information. The Service Provider uses industry-standard methods, including **encryption**, **firewalls**, and **secure servers**, to protect data from unauthorized access.

Changes to the Privacy Policy

This Privacy Policy may be updated periodically. We will notify you of any significant changes by posting the new Privacy Policy on this page. It is recommended that users review this Privacy Policy regularly to stay informed.

Your Consent

By using the Application, you consent to the processing of your information as described in this policy. Continued use of the Application following any modifications to this policy constitutes your acceptance of those changes.

Contact Us

If you have any questions about this Privacy Policy or how your information is handled, feel free to contact us at **titantium.games@gmail.com**.
