## **VOICE ACTOR AUDITION RULES**

Upload your auditions using the Google Form provided in this document. Please **ONLY** use the following formats:

1. **.mp3**
2. **.wav**

When you audition, **please only read the lines of roles for which you wish to audition.** You can audition for as many roles as you like but **please make sure to put each audition in its own separate .mp3/.wav file. Do all the lines and put it in one file.**

Label your audition files like this:

***Pinkie Pie (Ribonchan).mp3***  
***Rainbow Dash (Ribonchan).wav***

Please allow for 3-5 seconds of silence at the beginning of each audition. This gives me an idea of the amount of background noise in your recording, the quality of your microphone, and how much audio cleanup is needed.

**In your auditions, please have a clear sounding mic and no background noise.**

## AVAILABLE LIST OF CHARACTERS

### Princess Tempora (MAJOR)

This original character plays a major role in the story of Timey Wimey, especially towards the second half. Events in Equestria's past, present, and future have gone astray and she is right in the center of everything, along with the Mane 6. She is an alicorn princess who uses her magic to control the passage of time, a weaver of time. For this role, Tempora must have a mature, royal-esque voice, similar to how Decibelle voiced her in the second part of my series and in the song, "Tempora's Requiem".

▶ Timey Wimey Episode 2: "Wings?! A horn?! Ooh! An Alicorn!" Comic Dub

▶ Jyc Row - Tempora's Requiem (feat. Decibelle)

Audition Line 1: (angry, shouting in a Royal Canterlot voice) Silence! Silence! Leave us alone!

Audition Line 2: (weak, struggling to get up) No. . . not enough strength this time. . .

Audition Line 3: (on edge, yelling) Listen to us? Is this a joke?!

Princess Celestia (SUPPORTING)

Audition Line 1: (relieved) Oh Luna. . . you're okay. . .

Audition Line 2: (shouting) Our unity will be your loss, Tirek! Now, sister!

Audition Line 3: (proud, motherly) You persisted in the face of doubt, and your actions led to you being able to bring the real Princess Cadance back to us. Learning to trust your instincts is a valuable lesson to learn.

TIREK (SUPPORTING)

Audition Line 1: (in anguish and pain, while still thinking he's going to win) Naargh! No, I refuse! This power will be mine!!

Audition Line 2: (taunting) How does it feel, knowing that soon every Pegasus, unicorn, and Earth pony will bow to my will, and that there is nothing you can do to stop it?!

Audition Line 3: (darkly) Give my regards to Cerberus.

Doctor Whooves (MINOR)

The voice should be close to the 10th Doctor/David Tennant.

Audition Line 1: (excitable) Allons-y!

Audition Line 2: (happy) Helloooo there! Welcome to this world! I am the Doctor.

Audition Line 3: (shock) Great whickering stallions!
