Objective:

Main objective is involving and motivating the Second and Third year diploma students in presenting and expressing the knowledge about the program.

Quiz Summary:

“Learning gives Creativity, Creativity leads to thinking, Thinking provides knowledge, Knowledge makes us Great.... Quiz competitions are always interesting and informative, which provide excitement among the students and also make them aware of current affairs. Computer Engg. department successfully conducted an Inter Class Quiz competition in the RAC hall on 14th September 2019 for the students of Third and Fifth Semester. Rules and regulations of the quiz were explained at the beginning. It was interesting three-round competition, including objective questions with options round, buzzer round and audio-visual round, which engaged the students for one hour. The students showcased their brilliance by rapidly answering the questions. Though some of the questions were very tricky, the teams tried to answer them with confidence. The questions put forth to the teams were intriguing, exciting and made the audience go ‘Aah!’ and clap when the teams answered correctly. It was very informative and knowledge enriching competition for the participants along with the audience. The Overall In charge of this competition was Shri R.H.Rathod, Lecturer computer Engg deptt. Quiz was very informative and knowledge enriching for the participants as well as for the audience. The students displayed ecstatic spirit and enjoyed the quiz to the fullest. It must be written here that this type of competition enhances eagerness among students.

Session Content:

1. WELCOME AND INAUGARATION

Our Honourable Principle sir P.V.Deshkmukh and Head of the Department Shri G.R.Gosavi was welcomed with a honour of words. They were welcomed with the bless full speech. Respected principle Shri P.V.Deshmukh sir did the inauguration of the event which was held on 14th September. Also, they were asked with some of the questions related to the quiz. Around two to four questions were been asked by the anchor to them which they have to answer. After the questioning round of the dignitaries, the Quiz competition started. *Also our respected HOD Shri G.R.Gosavi sir declared a special prize for the first winner.*

2. MOTIVE OF THE QUIZ

As we all know that 15th September is celebrated as Engineers day. A day dedicated to those without whom every machine in this world would not have been made. A day dedicated to those without whom you would not have been able to fly. Without whom no would have been able to make their homes. Without whom no would have been able to watch television. And without whom no would have been able to communicate with their long distance. A DAY OF ENGINEERS. So the motive of the quiz is to make realize each and every participant as well as every student about the importance of the day. This day can be celebrated in various ways like Guest Lectures, Expert Lectures, etc. So, we are making this quiz competition in order to celebrate Engineers Day.

3. START OF THE QUIZ

First of all there were immense number of participants participated in quiz competition. There were total 9 teams needed. Teams should have 2 members each in their team. There were total 16 participating teams. They were given a paper to solve. And time slot of 10 minutes were given to them to solve that paper. After that the score was taken out from those 16 papers. And relevant teams with highest marks were selected. Then there were total 9 teams to go for the quiz. After that 3 teams came in front and there were competition between 3 teams. And from 3 teams 1 team was selected same with another 6 teams. And among these teams total 3 teams were selected. And after that to make one winner there was again competition between these three teams.

4. ROUNDS OF QUIZ

In this quiz competition there were total 3 rounds :-

- The first round was the questioning round in which every team was asked by 3 questions each and the marks for this round was 5 marks each questions.
- The Second round was the Buzzer round in which a question was asked by the anchor and the team who buzzed it first gets to answer the question. Mark for this round is also 5 marks.
- Lastly, the Third round was again the buzzer round. This was also the round in which the team which buzzed first will get the chance to answer the question. But the twist is this round contains negative marking. If and question answer by the team goes wrong then their marks will be -5.

Target Participants:

GUIDANCE BY HON'BLE PRINCIPAL

GUIDANCE BY HEAD OF DEPARTMENT

ANCHORING SPEECH

The Quiz competition was under the guidance of Shri R.H.Rathod sir. This whole competition came to a successful ending just because of the clear guidance of Shri R.H.Rathod sir. Anchoring of the competition and arrangement of the whole program was arranged by Miss Rachika G.Chore and Team. Vote of thanks was also conducted by the same student. The Instructions regarding the competition and all other instructions was given to the participant by Shri R.H.Rathod Sir

POs Achieved:

1. Basic and Discipline specific knowledge:

Apply knowledge of science and engineering fundamentals and engineering specialization to solve the engineering problems.

2. Project Management:

Use engineering management principles individually, as a team member or a leader to manage projects and effectively communicate about well-defined engineering activities.

3. Project Management: Use engineering management principles individually, as a team member or a leader to manage projects and effectively communicate about well-defined engineering activities.

4. Life-long learning: Ability to analyse individual needs and engage in updating in the context of technological changes.

Cos Achieved:

Course – Almost all courses CO was achieved, specifically:

1. Operating system : 5th Sem
2. Advanced computer network : 5th Sem
3. Java Programming : 5th Sem
4. Software Testing : 5th Sem
5. Object Oriented Programming : 3rd Sem
6. Data Structure : 3rd Sem
7. Database Management System : 3rd Sem
8. Data Communication & CN : 4th Sem
9. Java Programming : 4th Sem
10. Software Engg. : 4th Sem
11. Microprocessor : 4th Sem
12. Programming in C : 2nd Sem
13. Comp Peripheral & HW maint. : 2nd Sem
14. Web Page Designing : 2nd Sem
15. Fundamental of ICT : 1st Sem
