

HOW TO RESCHEDULE A GAME

If you need to reschedule a HOME game in UTAH COUNTY, please do the following:

1. Under the "Surf All Access" tab on the website, click on "Field Schedules: and then select the field on which you would like to reschedule your game. Here you can see if the field you want is available at the time you want to reschedule your game. Keep in mind you don't have to play at the field you were originally schedule to play if another field is open Utah Surf has multiple field options in Utah County - Mountain Ridge Jr. High, Lehi Jr. High, Deerfield Elementary, Smooth Canyon Park, North Point Elementary, Lakeride Jr. High and Lakeside Sports Complex.
2. Coordinate with the opposing team on a time/date that works best for both teams. You can look up their contact information by logging in to [UYSA](#), select the teams tab, then Tournament & Schedule Apps. On the far right of the team listed select "Schedule and results" then scroll down to the game you need to reschedule and click on the opposing team. The team contact information will pop up.
3. Once you have found an acceptable date/time, please send an email to our Field Coordinator fields@utahsurfsoccer.com and our Referee Coordinator krel02014@gmail.com and let them know the following information:
 - a. Game Number
 - b. Original Field and Date/Time
 - c. Proposed Field and Date/Time

Once you have approval from them, you may initiate the reschedule in Affinity. Step by step instructions are available [HERE](#).

If you have further questions, contact pipeline@utahsurfsoccer.com
