

Break Free from the Hustle. Reclaim Your Energy. Engineer Your Freedom.

- ✗ You've been taught to hustle.
- ✗ You've been told to "grind harder."
- ✗ But what if that's *exactly* how the system keeps you stuck?

Introducing

THE ENERGY TRAP

7 Unseen Forces Keeping You Stuck (And How to Start Escaping)

If you're a high-performer **burned out,** **and constantly** **barely** **even**, this isn't a issue. It's a

who feels **boxed in,** **busy but** **breaking** mindset system issue.

And the system is working perfectly. Just not for you.

In this eye-opening guide, Solomon Fompun Domshak reveals the invisible architecture of modern hustle culture, a **system designed to harvest your energy while keeping you loyal, tired, and replaceable.**

“Effort without leverage is slavery.” *The Energy Trap*

Inside this clarity-shifting book, you'll discover:

- ✓ Why the “time-for-money” mindset is your biggest *bottleneck*
- ✓ The **7 hidden energy traps** *sabotaging your success (and how to escape them)*
- ✓ The truth about motivation and why it's keeping you broke
- ✓ The 4 types of **leverage used by the wealthy** to scale without burnout
- ✓ A science-backed framework to shift from effort to elegance

This Isn't Self-Help. It's Structural Liberation

The Energy Trap doesn't just motivate you, it gives you the blueprint to **reclaim your time, energy, and freedom** through leverage, physics, and strategy.

Whether you're a solopreneur, creator, coach, or corporate escape artist, this book will show you **how to stop playing the energy-draining game** and *start building a system* that works *for you.*
