

Here is the transcription of the document:

---

Año de 1772

Dispensa de 2º grado de Consanguinidad concedida a Dn Josef Antonio Caraveo, y Da. Juana Maria Espinosa vecinos del Partido de San Juan de los Rios.

---

(At the top, there are also notations: "274 (ex.)", "No 37", and some interlaced writing which seems to be shorthand for "Año de" and "1772". Let me know if you want those included explicitly.)
