We understand your struggles and the struggles of the same 10k+ entrepreneurs in this same situation. They all had something in common, let me show you, this is what I call the **5-figure mistakes**

5 mistakes that are most likely the reason you're not getting the **attention** you want:

- 1) You need to sell using a proper funnel, like lead magnets, or ticket products.
- 2) Market / Message / Match
- 3) Your offer doesn't trigger an urgency to buy
- 4) Your work is a mesh of stealing and copying from "proven funnels"
