

Unit Title:	Proportional Relationships Unit 2	
Unit Vocabulary:	Adapt Transform Display Identical Accurate Inspection Denote Explicit Clarify Presume	Equivalent Ratios Function Proportion Proportional Constant of Proportionality Unit Rate

	Learning Target (All Teachers)	Instructional Plan (Core Teacher)	Differentiation (ELA/Math Inclusion Teacher)	Level UP/Advisory Plans (Core Content Teachers) (Not NHI time)	Teacher Tips & Notes (All Teachers)
M O N	Identify the constant of proportionality within proportional relationships using equations	Opening Strategy: Day 1 Warm up (printable) add to journal, tape into journals or pass out Core Lesson Activities: Slideshow day 2 only Unit 2 Lesson 4 - Represent Proportional Relationships with Equations (2 Days) Session 2 Summarizing Activity: Lesson quiz (not graded, check for understanding)	SWD Differentiation Strategy: Inclusion Teacher Role: - n/a	IXL diagnostic	
T U E	I can solve problems by using proportional reasoning with given real world scenarios.	Opening Strategy: District warm up Day 2 add to journal, tape into journals or pass out Core Lesson Activities: Slideshow Unit 2 Lesson 5 - Use Proportional Reasoning to Solve	SWD Differentiation Strategy: Inclusion Teacher Role: - n/a		

		Multi-Step Ratio Problems (1 day) pp. 80-81 Session 1-2 Summarizing Activity: Practice pp. 83-84 Exit ticket			
W E D	I can solve problems with proportional relationships with tables, equations and graphs	Opening Strategy: District warm up Day 3 add to journal, tape into journals or pass out Core Lesson Activities: Slideshow Test review- Students will complete the review questions in their text book and tear out to add to journals. Answer key Summarizing Activity: Practice game if time	SWD Differentiation Strategy: • COMPLEX FRACTIONS- add in Inclusion Teacher Role: • n/a		
T H U	I can solve problems with proportional relationships with tables, equations and graphs	Opening Strategy: Review (in slides) Give out gridded paper Core Lesson Activities: Slide show Test today Test is in MH- ranklook in copied assessments. #003 Proportional Relationships Test (major) Summarizing Activity:	SWD Differentiation Strategy: • Inclusion Teacher Role: • n/a		
F R I	I can use proportional reasoning to solve multi-step percent problems.	Opening Strategy: District warm up Day 4 add to journal, tape into journals or pass out Core Lesson Activities: slideshow Unit 3 lesson 1 Connect percentages and proportional reasoning Session 1 Activity exploration handout Summarizing Activity:	SWD Differentiation Strategy: • Inclusion Teacher Role: • n/a	• SEL Mini Lessons • Goal Setting • Reward Time • School Surveys • School To-Do's	

		Exit ticket
