

Vista Ridge High School

Monday, August 24, 2026 - 6:00 p.m.

Each “period” you will receive a 9-minute presentation from your student’s teacher, followed by a 6 minute transition to the next “class.” Please do your best to follow the schedule - student volunteers and select staff will be in the halls to help guide you. [A campus map is available.](#) Many teachers teach multiple subjects, so they will only be discussing information specific to the subject taught for that period. If you attend a different period, you may not receive information pertinent to your student’s class. **We will not be handing out paper schedules.** Please bring a copy of your student’s schedule or be prepared to use your device to login to the Home Access Center (HAC). If using your device, we recommend saving a screenshot before the event.
