Medical Aid for Palestinians is on the ground in Gaza where they are working to stock hospitals with essential drugs, disposables and other healthcare supplies. [Map.org.uk](https://map.org.uk)

Palestine Children's Relief Fund is the primary humanitarian organization in Palestine. They deliver crucial, life-saving medical relief and humanitarian aid on the ground. [Pcrf.net](https://pcrf.net)

The World Food Programme has been distributing fresh bread, canned food and ready-to-eat food to those who sought refuge in United Nations Relief and Works Agency shelters in Gaza. wfp.org

Doctors Without Borders is providing support to hospitals and health facilities in Gaza. doctorswithoutborders.org

UNRWA is providing medical support, trauma relief, and food assistance on the ground in Gaza. unrwausa.org

Note: Organizations are seeking emergency funding to equip their teams for the moment that humanitarian aid is allowed into Gaza. All of the listed organizations are already on the ground in Gaza and are subjected to the same situation as civilians in regards to the "total siege" by the Israeli government.
