

Summer Cancellation Form

Student Name: _____ Parent Name: _____

You may email an attachment or scanned copy of this form. However, **a verbal or email request will not be accepted as a cancellation.**

Our refund policy is designed to discourage last minute cancellations. Your registration reserves a space in class for your child. The Athenian Summer program's hiring and purchasing are directly determined by your enrollment. Therefore, no exceptions can be made. A full refund will be issued only when The Athenian School cancels a class, or within the first 7 days from the date a camper was registered. The Athenian School reserves the right to cancel a class for any reason including lack of enrollment. In such cases, a full refund, including all deposits, will be returned. You will be asked to check the box during the registration process indicating you have read, understand and agree to the policy. Refunds are not given for student illness, missed days, withdrawals, or if a student is asked to leave the program. Refunds are no longer given after April 30.

Please fill out a separate form for each individual student.
