rn

axel 9:09 pm

Rita 9:09 pm

mission impossible?

Jeniko 9:09 pm

omg this is so exciting!!!!

yana 9:09 pm

yes

Me 9:09 pm

yes mission impossible

Jeniko 9:09 pm

always start with 3A

Me 9:09 pm

yesssssss

Rita 9:09 pm

that 3A!

Jeniko 9:10 pm

omg i love him

yana 9:10 pm

his love 3A

Me 9:10 pm

saved it

Jeniko 9:10 pm

3Lz again

Rita 9:10 pm

as i said, that 3Lz lol

sallycinnamon 9:10 pm

Is it JGP Croatia?:)

Me 9:10 pm

that's back when after the 3A his fave was 3Lz

Rita 9:10 pm

why always so forward, zuzu?

and the lip

Jeniko 9:10 pm

it's his "deep knee bend" that saves his jumps

Rita 9:10 pm

always a lip

Jeniko 9:10 pm

he does a flip here?

Me 9:10 pm

croatia yes

Rita 9:10 pm

love of outside edge was strong

Me 9:11 pm

yeah even though he alsmot always got called for it

Jeniko 9:11 pm

wow

i guess he had to...

sallycinnamon 9:11 pm

it was his seasons best

Jeniko 9:11 pm

sorta like gracie's flip?

but she always popped/fell on it

btw i ordered food bc hungry

Me 9:12 pm

wasnÄt his SB at junior nats?

sallycinnamon 9:12 pm

I counted only the international comps:)

Jeniko 9:12 pm

junior nats doesn't count as SB tho right

Me 9:12 pm

oh okk

Rita 9:12 pm

his spins always so darn centered

Jeniko 9:12 pm

i rly like this costume

the mission impossible one

Rita 9:12 pm

man, i need a breather! lol

Jeniko 9:12 pm

LOL

yana 9:12 pm

when will he bring back that spins

Jeniko 9:12 pm

should we pause or smthng

Me 9:12 pm

at jnats he had a 3Lz+3T combo

why pause?

axel 9:13 pm

it's "yzaunori hamyulla"

rude

Jeniko 9:13 pm

oh

nothin

keep going

Me 9:13 pm

hahahah

ok

Jeniko 9:13 pm

cuz idk if ppl wantd to talk

abt previous

Rita 9:13 pm

nah its okay

Jeniko 9:13 pm

this choreo needs more in between the jumps

lol saved 3A

its kinda obvious when you just go jump jump jump and then step seq/choreo

Rita 9:14 pm

yeah

Jeniko 9:14 pm

he obv really improved on that regard

sallycinnamon 9:14 pm

his flip:) was it a ! ?

Rita 9:15 pm

<3

his best choreo under nanami was rtude/rj1 combo

Me 9:15 pm

ahhhhhh

Rita 9:15 pm

omg

Jeniko 9:15 pm

i gasped outloud

Me 9:15 pm

butt landing

yana 9:16 pm

fall

sallycinnamon 9:16 pm

aww the axel 😞

Rita 9:16 pm

all them legs

Me 9:16 pm

legs everywhere

axel 9:16 pm

I wish I had any kind of technical insight to offer but instead I just marvel at how this little mushroom manages to enrapture me even with potato quality videos lol

Jeniko 9:16 pm

fight fight fight

LOL potato quality

Me 9:16 pm

ahhahahahah <3 <3

Rita 9:16 pm

it's not only potato quality, it's yellow potato

Jeniko 9:16 pm

it literally looks like the ice is the same color as his shirt

axel 9:16 pm

that hurt my back watching

Rita 9:16 pm

how did he end up having a salchow issue?

Me 9:16 pm

you can still feel his presence

Rita 9:16 pm

the salchows were good here

Jeniko 9:17 pm

3S?

idk

sallycinnamon 9:17 pm

yep:)

Jeniko 9:17 pm

why did he have a 3S issue?

isn't it bc it was his last jump for a while?

and he was tired..

Rita 9:17 pm

maybe cause it was his last jumping pass in some layouts

and he had no stamina

Jeniko 9:17 pm

yea

Rita 9:17 pm

noodly noodle

Jeniko 9:17 pm

bb!!!

Me 9:17 pm

in this layout it's second to last and in a combo

Jeniko 9:17 pm

so musical so lovely

Me 9:17 pm

his tongue

sallycinnamon 9:17 pm

Really cute! look at all the sparkles

Me 9:17 pm

alwasys out

Jeniko 9:17 pm

omg a higher quality potatoe

axel 9:17 pm

yayyy

Me 9:18 pm

ok I'm live commenting the GOE from now on

or at least try

Jeniko 9:18 pm

jgpf?

axel 9:18 pm

HQ potato

Jeniko 9:18 pm

yay bb

Me 9:18 pm

yesjgpf

Jeniko 9:18 pm

hes taking his 30 seconds

Rita 9:18 pm

gpf?

Me 9:18 pm

have you counted?

haha

jgpf

Jeniko 9:18 pm

idk it just seemed like a while lmao

sallycinnamon 9:18 pm

It was days before his 15th birthday <3

Jeniko 9:18 pm

also both his music this season were great

Me 9:19 pm

0.4

GOE

1.6 !!

Jeniko 9:19 pm

ok that lutz

was great

Rita 9:19 pm

that 3Lz was huge tho

Me 9:19 pm

it wassss

Rita 9:19 pm

wild landing but huge

Jeniko 9:19 pm

i guess 1.6 is ok

lets see

flip

it was pretty

Rita 9:19 pm

back then they were measure with full goe right?

Jeniko 9:20 pm

yeah you're right

Rita 9:20 pm

flip or lip?

Jeniko 9:20 pm

prob a lip but either way it would've been a really good lutz

hahaha

Me 9:20 pm

it's gonna be 3F! 0.4

Jeniko 9:20 pm

😛

Rita 9:20 pm

so 1.6 is about half GOE

Jeniko 9:20 pm

wow wobbly spin

Me 9:20 pm

still the highest he got was 1.8 for his 3Lz combo I think

Rita 9:20 pm

slowing down in that spin, zuzu

Jeniko 9:20 pm

lol they weren't as generous with GOE back then, too

like for yuna's FS she hardly got any 3's

Rita 9:21 pm

yep

Jeniko 9:21 pm

at olympics

axel 9:21 pm

no +3s for truples? 😛

Me 9:21 pm

ahhhh

lost balance

yana 9:21 pm

stamina

Jeniko 9:21 pm

omg sO SLOW HAHAHHAA

Rita 9:21 pm

he used to do biellman in both sp and fs

when did that change?

Jeniko 9:21 pm

why doesn't he do it anymore

aww why does he look sad, itwas good!!

Rita 9:21 pm

he didn't do biellman in etude, right?

Jeniko 9:21 pm

or just tired

Me 9:21 pm

maybe to not strain his back too much

axel 9:21 pm

I'm kind of amazed he still does it at all

yana 9:22 pm

maybe because back pain

Rita 9:22 pm

yeah

Jeniko 9:22 pm

he has back pain now? 😞 😞

Me 9:22 pm

he skipped it at 4CC

yana 9:22 pm

so he need to decrease the amount

Jeniko 9:22 pm

i thought it healed 😞

Me 9:22 pm

😞

Rita 9:22 pm

he has no back pain

no worries

axel 9:22 pm

I don't think he has but it'D be an unnecessary strain

Me 9:22 pm

I think he's being cautious which is a good thing

axel 9:22 pm

althought I love it when he does it

Jeniko 9:22 pm

yeah me too

Rita 9:22 pm

yeah

Jeniko 9:22 pm

yay so much back to back yuzu

new costume <3

axel 9:23 pm

no more yellow snow ruffles

Me 9:23 pm

the ruffle make him look 12

3A 0.6

sallycinnamon 9:23 pm

he grew a lot

Jeniko 9:23 pm

OOMFG

SCARY

Rita 9:23 pm

lol that 3A

Me 9:23 pm

what a savee

Jeniko 9:23 pm

wow i can't believe that got positive GOE

Rita 9:23 pm

so tilted but he still landed it

yana 9:23 pm

scary

Me 9:23 pm

1.8 for that one

Rita 9:24 pm

3Lz was so pretty tho

Me 9:24 pm

beauuuutttiifful

Jeniko 9:24 pm

he always has a leg wrap on his double toes

Me 9:24 pm

1.2 no edge call

Rita 9:24 pm

he does have awesome 3Lz when they're not being landed forward

Me 9:24 pm

but that was supposed to be a flip lol

sallycinnamon 9:24 pm

xD

yana 9:24 pm

haha

Jeniko 9:24 pm

woww 1.2 for a flip

sallycinnamon 9:24 pm

no edge call?

Jeniko 9:24 pm

cuz this took place in japan? 😛

Me 9:24 pm

no edge call it looked like a Lz tho hahah

Jeniko 9:24 pm

looop

Me 9:24 pm

1.4 😃

Rita 9:24 pm

3Lo <3

Jeniko 9:25 pm

his loops are always so stable

i think with skaters

they either love loops or hate them

Rita 9:25 pm

he does look 12 lol

Jeniko 9:25 pm

like gracie, evgenia, they all love loops and almost never make any mistakes with them

and katelyn and yuna hated loops

omg

Me 9:25 pm

3A+SEQ -4.2

Jeniko 9:25 pm

omg

yana 9:25 pm

omg

Me 9:25 pm

;____;

axel 9:25 pm

tbf he also looked 12 at the sochi medal ceremony

Rita 9:25 pm

his falls are spetacular

Jeniko 9:25 pm

omg

what a fall

!!

Rita 9:26 pm

quoting Tracy

Me 9:26 pm

0.4 only

Jeniko 9:26 pm

that was so amazing i wanna go back and see it again

Me 9:26 pm

<3

Jeniko 9:26 pm

lol -4.2 goe on the 3A

he tried rly hard to save it

Rita 9:26 pm

his layback ina bauer in this program had shit timing though

Me 9:26 pm

1.0 onlyyyyy

Rita 9:26 pm

sorry to say

Jeniko 9:26 pm

it was odd timing in r+j1 too

Rita 9:26 pm

i loved it in rj1 tho

Jeniko 9:26 pm

didn't happen on any musical highlight tho

Me 9:27 pm

hahah

Rita 9:27 pm

mostly because i loved hos he continued it after the layback

Me 9:27 pm

1.9

1.0

Rita 9:27 pm

how*

which he barely ever does now

yana 9:27 pm

did he change layout?

Me 9:27 pm

how?

yana 9:27 pm

last jump axel right?

Jeniko 9:27 pm

some fans are really really dedicated

Me 9:27 pm

Jeniko 9:28 pm

lol his voice is pretty deep here

axel 9:28 pm

"he enjoys the spotlight" wasn't that what the besp uncles said

yana 9:28 pm

yatta

Me 9:28 pm

it was changing then

Rita 9:28 pm

and now he gets more than this for a FS alone

Jeniko 9:29 pm

more than like 20 pts

Rita 9:29 pm

yeah

Me 9:29 pm

ahhh sorry guys is it lagging?

axel 9:29 pm

that smile <3

sallycinnamon 9:29 pm

tho his IB isn't as low anymore

hahah this part

Rita 9:34 pm

i actually appreciate the less low layback

the one he did back then made me fear for his back

Me 9:34 pm

well it doesn't look like his back is going to snap any moment, true

Rita 9:34 pm

or that he'd trip and fall on his head lol

Jeniko 9:35 pm

omggg

sallycinnamon 9:35 pm

i like the really low layback, it looks nice

yana 9:35 pm

just gala yuzu

Me 9:35 pm

Me 9:36 pm

sallycinnamon 9:36 pm

Jeniko 9:36 pm

being jgpf champ

A-nony 9:37 pm

His edgecalls then was something...

Me 9:37 pm

ahhh

another pop

Rita 9:37 pm

well, he did lip very consistently

Me 9:37 pm

0.2 goe

yana 9:37 pm

no hype. this sp not even broadcast

Me 9:37 pm

ok the next one is art

Jeniko 9:37 pm

😔

A-nony 9:38 pm

The hype came in later in his debut

axel 9:38 pm

Me 9:41 pm

"i love yuzu"

Jeniko 9:41 pm

LOL

Me 9:41 pm

Me 9:42 pm

1.6 goe

Jeniko 9:42 pm

that his 3A entries look odd to me

bc he never does that type of entry anymore

he always does like

Me 9:42 pm

hahahah

Jeniko 9:42 pm

back counter or something

Rita 9:42 pm

yeah lol

Me 9:42 pm

0.2 only for that

Rita 9:42 pm

Me 9:42 pm

at least a SE

Jeniko 9:42 pm

im like, why does this look odd??

Me 9:42 pm

LOL

Rita 9:42 pm

in his FS he usually does a bunch of steps

Me 9:43 pm

3F! -0.2

Jeniko 9:43 pm

aww haha

Me 9:43 pm

negative this time

Rita 9:43 pm

Jeniko 9:43 pm

isu is trying to take him down

Rita 9:43 pm

judges be blind

A-nony 9:44 pm

We've come so far in the way of edgecalls :')

Rita 9:44 pm

isu is doing its good work of making yuzu improve 😃

Jeniko 9:44 pm

or JSF

Me 9:44 pm

I don't get why he put a 3F there tho

in his SP

yana 9:44 pm

good for him

Jeniko 9:44 pm

bc maximum BV

i think its a psychological thing

axel 9:44 pm

his mission impossible is flip

axel 9:44 pm

his mission impossible is the flip

Jeniko 9:44 pm

like knowing you maxed out your BV

Rita 9:44 pm

but a 3Lo would give him more BV+ GOE than a edge call 3F

Jeniko 9:44 pm

lol that's funny

Me 9:44 pm

he shoulda done 3Lz+3T then

Rita 9:45 pm

unless edge calls weren't as bad then

did they take 30% off BV for edge call jumps?

Jeniko 9:45 pm

yeah but it feels like giving up in a way, even tho evgenia does it. but thats why gracie kept the flip and stuff

no i think it was just negative GOE?

lol i can't believe he was only 3rd!!!

Me 9:45 pm

welll he's making a comeback here

Rita 9:45 pm

d'awww, nanami

and thus begins a pattern
