IN 1,000,000 WORDS OR LESS

TELL ME ABOUT YOUR CHILD!

Dear Parent/Guardian:

I am very excited to have your son/daughter as one of my math students this year and am looking forward to getting to know him/her in the upcoming months. I would like to start this process with a little help from you! Yes, ***you*** are getting a homework assignment. This may be the first homework assigned to you in a while, but I know you can handle it!

Each student is special and unique in their own way. No one knows this better than you! This assignment gives you a chance to tell me about your ___grader, and what makes them so special in a million words or less! In exchange for your hard work, your child is being rewarded with 100 extra credit points!

I would appreciate it if you could send this assignment in with your son/daughter by _____.

Thank you in advance for your participation. I hope by the end of the year I am able to tell you something amazing and new about your pride and joy!

Sincerely,

_____
