

Renaissance Art - Writing #3

For this project, you will imagine, hard as it may be, that you are Sister Wendy looking at examples of Renaissance art.

You will carefully choose an example of art (paintings, frescoes, or sculptures) from a Renaissance artist. Pick something that really interests you because of its beauty, topic or weirdness.

Once you have identified your artwork, take time to look at it so that you can talk about the artwork in detail in the style of Sister Wendy. You will do this using your chromebook.

Here are a few artists from the Italian Renaissance:

Giotto
Ghiberti
Mantegna
Brunelleschi
Donatello
Fra Angelico
Fra Filippo Lippi
Ghirlandaio
Michelangelo
Raphael
Leonardo da Vinci

Titian
Tintoretto

You may also use the following artists from the Northern Renaissance:

Albrecht Durer
Hans Holbein
Jan van Eyck
Pieter Brueghel (Bowers favorite)
Hieronymus Bosch

What you must do.....

Include the following in your description of each artwork:

You will need to fill out this [google form](#) with your name, block, title, and artist. Once a piece has been picked in your class, nobody else can pick that piece. You can see what has been chosen [using the 2024 link](#). To be sure you have not picked something a classmate has chosen, look at the [2025 link](#).

To be completed! Including future work time

Create a google slide presentation. This should cover more than one slide. Be sure to include in this presentation the information below.

- At least one picture of the artwork.
- Name of the artist, title of the artwork, and the date (if possible)
- Background information on the artist, as appropriate (I don't want a biography)
- Topic of the painting (Religious? Secular? Mythological? Portrait?)

- Detailed description of the painting (What do you see? What colors are used? What techniques are used? Is there perspective? Shading? Is it realistic? Etc.)
- Analysis of what you think the painting means and what it reveals about the artist, the topic, or the Renaissance.
- Personal reaction to the painting (Do you like the painting? Why/Why Not?)
- One other reaction to your artwork, can be parent, sibling, friend, or anyone who is willing to take a look.
- Be sure to share your google slide so I can view this (change your setting to anyone with the link can view).
- **Copy/paste the link.**
