USEFUL INFORMATION FOR THE SELECTED CANDIDATES

1. The selection of the candidates, who enter a Faculty or a Department of Higher Education, is made by decision of the Minister of Education, Religious Affairs and Sports. The Faculties and the Departments, to which the candidates can be admitted, are listed on the candidate's application entry form.

2. Candidates take no entrance examinations. The selection criterion is the total mark of the "entry certificate" only for holders of a graduation certificate from a General Lyceum of the Republic of Cyprus, while for candidates from other countries the criterion is the overall mark of their graduation certificate

3. With regard to their registration, the candidates admitted into a Faculty or a Department, are also required to hold **a certificate denoting their command of the Greek language**. Such a certificate is issued after relevant examinations either by the University of Athens or by the University of Thessaloniki; alternatively, the candidates should hold a B2 level certificate issued by the Greek Language Centre. **If the candidates do not hold any of these language certificates, they can only enroll in the next academic year of their admission to a Greek University, on condition that they will by then have obtained the prerequisite language certificate. Otherwise, the candidates are disqualified from enrolling.**

The examinations for the Greek language certificate are held twice a year around May and September in ATHENS, at the **Modern Greek Language Centre** of the University of Athens in Zografou (tel: 0030 210 7277672 / 7277971 / E-mail: info@greekcourses.uoa.gr / Web site: www.greekcourses.uoa.gr); also, in June and October in THESSALONIKI, at the **School of Modern Greek Language** of the Aristotle University of Thessaloniki (tel: 0030 2310 997571 / 997572 / Email: school-mg@smg.auth.gr , sneg@smg.auth.gr / Web site: <http://www.smg.auth.gr>). The examinations

for the B2 level certificate issued by the Greek Language Center are held in May (www.greeklanguage.gr/certification)

For further information concerning the language examinations and the exam periods, the candidates need to contact either the University of Athens or the Aristotle University of Thessaloniki at least a month prior to the exam date, to make sure that they will not miss the deadline or any potential changes of the language exam.

If a candidate holds a graduation certificate either from a Cypriot Lyceum, or from a foreign school attesting that the candidate has been taught and successfully examined in the Greek language, no Greek language certificate is required.

4. Candidates should undergo a medical examination before enrolling, according to each Faculty or Department's regulations.

5. Students **of non-E.U. citizenship** must bear in mind that the **Ministry of Education, Religious Affairs and Sports has no authority to grant a visa or a stay-permit**. The stay-permit is issued by the regional competent services of our country (Offices of Foreigners and Immigration Issues) only to those candidates who are admitted to Higher Education in Greece, provided that there are no reasons against the granting of this stay-permit.

It is also noted that according to the Greek legislation ar. 31 N.3386/2005 (ΦΕΚ Α' 212) a stay-permit (granted for study purposes) is not granted if a student changes Faculty or Department twice.

The successful candidates for the academic year 2023-2024 can change Faculty or Department by submitting a new application entry form (two attempts in total).
