

# Welcome to the signup for the Mount Tabor Oral History project!

Hi, I'm Noa, a Scout from Crew 17!

For my **Eagle Scout project**, I'm working with the Mount Tabor Historical Society to preserve the unique history of Mount Tabor by collecting and recording stories from current and former residents. **These interviews will be shared on the Mount Tabor Historical Society website, social media, and sent to local libraries** to help future generations understand the community's rich past.

To make this possible, I need your help!

We're looking for:

- **Interviewees** – current or past residents with stories to share
- **Interviewers** – especially adults, who will help conduct the interviews

**No special experience is needed—I'll handle all the recording! Interviews will be video and audio recorded, unless someone prefers not to be on video.**

## How it works:

1. **How to Conduct an Interview Seminar** – All interviewers must attend a quick Zoom training (offered on two separate dates—you only need to attend one). In this session, I'll go over interview tips, help you create questions, and match you with a resident if needed.
2. **Interviews in Mount Tabor** – Interviews will take place in a location that's comfortable for the interviewee: their home, the Bethel, the Mount Tabor Museum, or outside (weather permitting).

### Still confused?

Click the link [HERE](#) to view an instructional video on oral interviews.

We need at least 15 interviewers and 15 residents to participate. If you're interested in sharing a story or conducting an interview, please sign up below! If the interview dates don't work with your schedule, but you'd like to participate, we want to know. Please add your name to the list at the end.

## DIRECTIONS:

### Interviewers:

Thank you for volunteering to help interview someone who has special knowledge about Mount Tabor!

**You must sign up for two events total.**

First, sign up to participate in the How to Conduct an Interview information seminar (choose one of the two available dates).

Second, you must sign up for at least **one** time slot to interview. **If there is a specific person you would like to interview, communicate with them to pick the same time slot.**

## Interviewees:

Thank you for volunteering to share your knowledge of Mount Tabor with us!

**You must sign up for one event.** Sign up for a time and place to be interviewed. **If there is a specific person you want to interview you, communicate with them so you both sign up for the same time.**

## Seminar on How to Conduct an Interview – Sign Up:

There will be **two dates to choose from** for the interview seminar. Both will be held on **Google Meet** using [THIS LINK](#). If you are a volunteer interviewer and cannot attend either Google Meet, please email me to let me know, and we can work together to figure out a solution!
