AZ Taxpayers who have not donated tax credit for tax year 2024 can still donate any dollar amount up until tax day on April 15, 2025 and still get the dollar-for-dollar deduction on their 2024 taxes!

BEFORE FILING YOUR ARIZONA 2024 TAXES... if you haven't used all of your 2024 Education Tax Credit, this young musician could use it. They participate in the award winning Corona del Sol Marching Band!

Your tax credit contribution can help. It's a dollar for dollar credit against your tax liability. You are telling the AZ government where to put your tax dollars-toward music education.
