[Bell Schedules](#) - this is a schedule of the various bell schedules for the year.

Greetings from Dr. Vosburgh

First of all, I hope everyone is enjoying the summer weather and hopefully some time off to relax. As we begin the month of August, families begin thinking about the start of the school year. I want to send out some information that always seems to generate some phone calls and emails to the school. You will all receive another email from me in a couple of weeks with more detailed information regarding the opening of the 2022-23 school year. We still have a good month of summer vacation remaining, I hope you all enjoy it! We are looking forward to seeing everyone at the end of the month!

John Vosburgh
Principal
